XVIII. Achievements of the College after UGC autonomy

1.	Experience of the College as an 'Autonomous Institution' in curriculum development, teaching and learning, examination, credit system, grading system, infrastructure, governance, etc.				The increase in instructional days benefitted the students and examinations are conducted in time smoothly. Results announced within a stipulated time, additional inputs to the curriculum help the students gain more knowledge. Continuous assessment helped the teacher to teach as per the levels of understanding of the student. The students are fully satisfied with the autonomous system.

XIX. Observations of the Committee

The College has well equipped spacious HRD Centre which is receiving regular funding from various external sources to organize several programs for enhancing student personality, employability skills and soft skills etc.

Campus interviews and campus drives are being organized, however it needs to be intensified for providing more placement chances to the college students and others including common public.

The facilities in some of the laboratories are good and are being used for enhancing practical skills of the students.

The students are well disciplined and are adhering to the rules and regulations properly.

The campus is neat and clean and the greenery of the campus is well maintained.

The college has a good Community Centre, through this the community oriented activities are being taken up regularly.

The college displays nice quotations of great personalities which could inculcate moral values and focus on determined goals and aims and motivate the students to walk in a right path.

The Department of English has a well equipped language laboratory with self-explanatory software which are being used for enhancing the linguistic skills of students of all departments.

The college has three Hi-tech class rooms with videoconference facility which needs to be used extensively by the faculty members to enhance skills of students and to make them learn intensively.

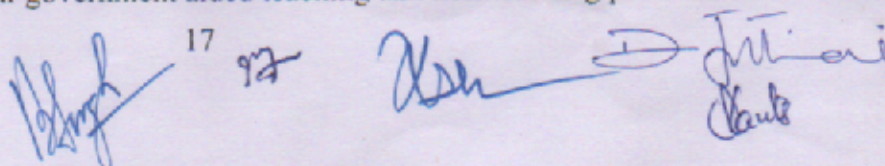

Courses viz., B.Voc. - Health Care & Nursing and B.Voc. - Fashion Technology & Apparel Designing are popular and attracting matured students as well.

The College has a good library building with good number of books, however there is a need to procure latest publications in all subjects.

XX. Suggestions of the Committee

As the campus has large land area the rainwater harvesting needs to be intensified wherever possible and also need to enhance the harvesting of solar energy systems.

Vacant and retired regular government aided teaching and non-teaching posts are to be filled

17

which will certainly provide the opportunities to retain the resourceful talented teachers in the institution.

Sports facilities of the college should be enhanced and students should be encouraged to participate in the competitions at various levels.

Some of the basic science laboratories are to be improved very much.

Quality publications need to be enhanced in peer reviewed and Clearative analytic high impact factor journals.

A strong room needs to be established in the Office of the Controller of Examinations to enhance the safety of confidential documents such as question papers, consolidated mark sheets, etc.,

Autonomy needs to be extended for the PG courses also.

Student admission can be done by appointing a dedicated senior staff on rotation basis as the Coordinator of Student Admissions.

Efforts need to be taken to obtain the status of College with Potential for Excellence Phase-III or College of Excellence.

Efforts should be put to make application for NIRF ranking to get successful outcome.

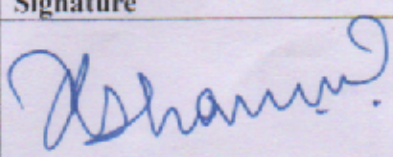

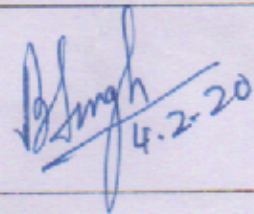

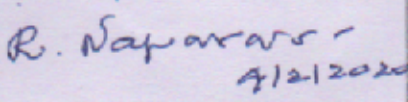

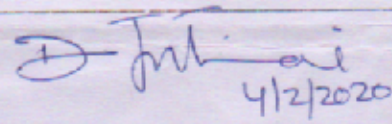

XXI. Recommendations of the Committee

The committee unanimously recommends that the Autonomous status of the college can be extended for the period of five years i.e. 2019 to 2024
