INTRODUCTION :

Situated on the banks of river Vasista Godavari, Sri Y.N. College evolved into a premier institution of higher learning in Andhra University and Adikavi Nannaya University area. The College has successfully completed 72 luminous years in the cause of education.

Sri Y.N College, erstwhile "The Narsapur College" was established in 1949 with Intermediate due to the efforts of the visionary founder Secretary Sri Yerramilli Naryana Murthy garu and other elders and philanthropists of Narsapur. Initially it was located in Taylor High School premises. During his tenure the College was elevated to Degree level in 1956. During the same year the present premises is secured from the Government due to the efforts of the founder Secretary and Sri Grandhi Venkata Reddy Naidu garu, the then MLA and former Law-Minister of Andhra Pradesh..

The Secretaries in succession are Sri Javvadi Laxmayya Naidu., Dr.Kosuri Adinarayana, Sri Ch.Reddappa Dhavaji, Sri Lakshmi Narasimham Dhavaji and Dr.M.S.Sastry. They consolidated the resources and developed the College further. The present Management took charge in 1983.

Ever since the college has been growing from strength to strength under the successive, committed and dedicated managements. The college was elevated to PG level during 1989-90. The B.Ed college was started in 2007.

Sri Y.N. College has established itself as a prestigious institution catering to the educational needs of not only the students of this rural and semi urban area, but also the entire state. The student strength in 2020-2021 is 3378. It had already celebrated its Golden Jubilee in the year 2000, Diamond Jubilee in the year 2010 with great pomp and fervor and it has celebrated the Silver Jubilee of PG Courses on a grand scale in January 2016.

In addition to the traditional courses, the college has introduced Restructured & Vocational Courses at Degree level. At present there are 18 combinations at degree level. There are 5 PG courses - MBA, MCA, MA English, M.Sc Maths and M.Sc Organic Chemistry. The college also has a Research Centre

to pursue Ph.D in Management Studies to its credit. With 3 Research Guides. The Adikavi Nannaya University allotted 9 Ph.D. Scholars to our research centre in 2021.

In 2004 - 2016 the college was accredited Thrice with "A" grade by the National Assessment and Accreditation Council (NAAC) and in the year 2016 again reaccruited with "A" grade with CGPA of 3.41. The college has attained Autonomous status in the year 2007-08. The college has been awarded with "College with Potential for Excellence" by the UGC. The college is offering 14 Career Oriented Certificate Programs included in course curriculum in addition to Add on evening Courses for the benefit of students.

The college has excellent infrastructure in the form of impressive buildings, well equipped laboratories, English language lab and separate UG and PG Libraries with Internet facility. The college campus was Wi-Fi enabled. The college has good support services to the students like, good playground, gymnasium, N.C.C, N.S.S, Community Service Centre, Women Empowerment Cell, RO Water Plant for safe drinking water, Yoga and Meditation Centre, HRD Centre (Skill Development & Placement cell) and the UGC sponsored Gandhian Studies Centre. The College has two decent solar powered Women's Hostels (U.G.C Project) in campus.

The college has competent faculty with good number of Doctorates, M.Phil's and State Best Teacher awardees, There is good research activity, and it has a congenial academic atmosphere. Some of the faculty members have U.G.C. & RUSA - 2.0 Scheme Sponsored Minor Research Projects.

Over the years the college has produced many outstanding Alumni, spread all over the world, occupying high positions both in India and Abroad. There are Alumni and Philanthropists support besides MP Lads funds for the college development.

With the valuable guidance, support and assistance rendered by Adikavi Nannaya University, U.G.C. and A.P State Education Authorities; the college has evolved as a premier Institute of Higher Education in A.P.

A Message from the SECRETARY AND CORRESPONDENT

With the fast changing scenario of the global market in all fields, the higher education institutions must perforce address these challenges to equip the students with the required knowledge and skills to grab these opportunities. We cannot afford to lag behind. The present day youth have to face the challenges of the highly competitive world. For this to happen, the higher education institutions should gear up for achieving excellence, which requires not only good infrastructure but competent teachers and new skill development programmes and extension activities. Since our nation needs youth with excellence in knowledge, skills, values and leadership, higher education institutions should become the training grounds for the all round development of the students' personality.

Seventy Two years young and dynamic, Sri Y.N College, has been one of the foremost temples of learning not only in our district but also the entire state. Situated on the banks of river Vasista Godavari in a serene atmosphere ideally suited for learning, the college has nurtured the future of thousands of youth of this area.

The college was established in 1949 in Narsapur, West Godavari District, has been successfully growing from strength to strength, from an Intermediate college, to a Degree College, PG College, B.Ed. College and Research Centre recognized earlier by Andhra University and now by Adikavi Nannaya University, Rajamahendravaram. And by securing an 'A' Grade by NAAC consecutively thrice, and being recognized Twice by UGC as College with Potential for Excellence, and by attaining extension for Autonomy, the college has secured a niche in the higher education map of the country. Now it is all geared up for attaining excellence. With effect from the academic year 2020-21, Dr. CS Rao PG Centre has also become Autonomous status.

With its excellent infrastructure, competent faculty and support services, the college is committed to provide quality education and research activity and opportunities to develop knowledge and necessary skills. The Management and the faculty members are devoted to fulfill this objective and dedicated to the cause of student welfare.

The vision, mission and quality policy of the institution have been designed in tune with the evolving national and global higher educational needs of the Indian youth in general, and those of the students of this rural area in particular.

VISION: To emerge as a Deemed University and a Centre for Excellence with special emphasis on Research. To equip the students with the right knowledge, skills and attitudes to meet the challenges of the competitive world and prepare them for a meaningful and purposeful individual and social life in tune with the college logo "*Thamasoma Jyothirgamaya*".

MISSION: To impart value based job-oriented and multi-skilled higher education to make the students more self-reliant to serve the needs of the society and thus contribute to the national progress.

Quality Policy : The College is committed to achieve excellence in teaching research, placements and consultancy.

- By imparting competency focused education to meet the needs of global competitions.
- BY developing state of the art infrastructure and exposing faculty and students to research.
- By establishing harmonious relationship with industry and society.

Central Government introduced New Education Policy-2020; our College is following the New Education Policy.
