Respected Sir,

I have been working as a lecturer in the Dept. of Management Studies in our college since 1995. I have registered for Ph.D. in the Andhra University in the year 2006. My Research Guide is Prof. G. Sudarsana Rao. My research topic is Problems and Prospects of Paddy Farmers, West Godavari District.

I got qualified in the Pre Ph.D. exam. Now my research is nearing completion, I completed the field survey by approaching 783 farmers. I spent nearly Rs.58,000/- for this. I have to pay Rs.1,83,000/- towards research fees. The thesis submission work will still cost me Rs.50,000/-.

In this context I request your goodself to kindly provide some financial assistance to me in order to enable me to complete the research work.

Thanking You,

Yours Sincerely
