COMMUNITY SERVICE PROJECT - I

At the end of first year

INTRODUCTION

- ❖ Community Service Project is an experiential learning strategy that integrates meaningful community service with instruction, participation, learning and community development
- ❖ Community Service Project involves students in community development and service activities and applies the experience to personal and academic development.
- ❖ Community Service Project is meant to link the community with the college for mutual benefit. The community will be benefited with the focused contribution of the college students for the village/ local development. The college finds an opportunity to develop social sensibility and responsibility among students and also emerge as a socially responsible institution.

IMPLEMENTATION

- ❖ Every student should put in a minimum of 180 hours for the Community Service Project during the summer vacation.
- ❖ Each class/section should be assigned with a mentor.
- ❖ The mentor should be a faculty member. Incentive could be given to the faculty mentors in terms of Academic Performance Indicators (API) scores. Or could even be made a compulsory in the service conditions laid down at the time of appointment.
- ❖ 4 Credits to be allocated for Community Service Project within the Choice Based Credit System (CBCS).

- ❖ The 180 hours of Community Service Project could be done in different areas.
- ❖ Specific Departments could concentrate on their major areas of concern.
- ❖ A log book has to be maintained by each of the student, where the activities undertaken/involved to be recorded.
- ❖ The log book has to be countersigned by the concerned mentor/faculty incharge.
- ❖ Evaluation to be done based on the active participation of the student and grade could be awarded by the mentor/faculty member.
- ❖ The final evaluation to be reflected in the grade memo of the student.
- ❖ The Community Service Project should be different from the regular programmes of NSS/NCC/Green Corps/Red Ribbon Club, etc.
- ❖ Minor project report should be submitted by each student. An internal Viva shall also be conducted by a committee constituted by the principal of the college.
- ❖ Award of marks shall be made as per the guidelines of Internship/apprentice/ on the job training.

Learning Outcomes

- ❖ Positive impact on students' academic learning
- ❖ Improves students' ability to apply what they have learned in "the real world"
- ❖ Positive impact on academic outcomes such as demonstrated complexity of understanding, problem analysis, problem-solving, critical thinking, and cognitive development.
- ❖ Improved ability to understand complexity and ambiguity

Personal Outcomes

Greater sense of personal efficacy, personal identity, spiritual growth, and moral development.

Greater interpersonal development, particularly the ability to work well with others, and build leadership and communication skills.

Social Outcomes

- ❖ Reduced stereotypes and greater inter-cultural understanding.
- ❖ Improved social responsibility and citizenship skills.
- ❖ Greater involvement in community service after graduation.

Career Development

- ❖ Connections with professionals and community members for learning and career opportunities.
- ❖ Greater academic learning, leadership skills, and personal efficacy can lead to greater opportunity.

Relationship with the Institution

- ❖ Stronger relationships with faculty.
- ❖ Greater satisfaction with college.
- ❖ Improved graduation rates

The following is the evaluation methodology for awarding marks/grades.

There will be only internal evaluation for this internship. Each faculty member is to be assigned with 10 to 15 students depending upon availability of the faculty members. The faculty member will act as a faculty-mentor for the group and is in-charge for the learning activities of the students and also for the comprehensive and continuous assessment of the students.

The assessment is to be conducted for 100 marks. The number of credits assigned is 4. Later as per the present practice the marks are converted into grades and grade points to include finally in the SGPA and CGPA.

The weightings shall be:

Project Log 20%

Project Implementation 30%

Project report 25%,

Presentation 25%
