BRIDGE COURSE

2016 - 2017

A bridge course for newly admitted students is conducted every year before the commencement of the first semester classes. The main objective of the course is to bridge the gap between subjects studied at Intermediate level and subjects they would be studying in Under Graduation level.

The Bridge course is a special course which helps to gain Knowledge in Biotechnology for both theory and practical's. We prepare the students for tough challenges in the Competitive world to face the Situation.

This Bridge course helps to improve the fundamentals of theory and practicals skills about Biotechnology in undergraduate level. The Bridge Course also focus on the pupil with different learning abilities, academic standards and Performances.

Students with Physical Sciences and Vocational Courses background are also eligible to join this Subjects i.e. Biotechnology. We encourage and appreciate the students to discuss for joining the course as it has got its importance for having future prospects particularly for Research, Pharmecuticals companies and preparing the Competitive Examinations. We give proper coaching to bridge the gap in learning the new subjects and route out the subject. We about to tell them that the college has good Infrastructure, Sophisticated Laboratories and experienced faculty throughout the college hours and teaching is done through LMS, Power Point, OHP and other audio visual aids. Our College provides certificate courses i.e. Biostatistics for Benefit of the Students.

We encourage the students for Higher studies i.e. M.Sc; Ph.D. etc.
