A Field Visit was organized by the Department of History and Tourism on **17-03-2022, at Vijayawada (Bhavani Island) Krishna Dist.** In this tour 3 Staff members and 27 Students participated.

## **BRIEF HISTORY OF THE BHAVANI ISLAND.**

Vijayawada is a city in the southeast Indian state of Andhra Pradesh. It's known for the ornate Kanaka Durga Temple, which sits atop a hill overlooking the city. The Undavalli Caves feature ancient rock-cut temples, carved out of a sandstone hillside and adorned with elaborate statues. The massive Prakasam Barrage stretches across the Krishna River. Nearby is Bhavani Island, with forests and waterfront gardens.

### **Bhavani Island**

Bhavani Island situated in the midst of the Krishna River at Vijayawada. It is located at the upstream of Prakasam Barrage and is considered one of the largest river islands in India, with an area of 133 acres (54 ha). It has a robotic dinosaur park, garden maze, mirror maze, golf and badminton simulator, cycling, etc.

### **Bhavani Island, Vijayawada Overview**

Bhavani island is one of the largest islands on a river and is located over the Krishna river at Vijayawada. The vast expanse of the island proves to be the perfect place for a relaxing weekend. If you are one for adventure sports and water slides, this is an exhilarating place to visit! It is named after the Goddess Bhavani or Kanaka Durga whose temple is on the Indrakeeladri hill close to the island. Bhavani island can be reached by boat from the banks of Krishna river. Approaching the island from the banks, you will enjoy the lush green surroundings and beauty of the Krishna river. If you are on the island especially during sunrise, you have the most spectacular view of the sunlight dancing on flowing waters of the river.

## PERMISSION LETTER OF TOUR AUTHORITIES

**SRI Y.N.COLLEGE(AUTONOMOUS), NARSAPUR – 534275**

Affiliated to Adikavi Nannaya University
