

Sri Yerramilli Narayana Murthy College (Autonomous)

(Affiliated to Adikavi Nannaya University, Rajamahendravaram)
Thrice Accredited by NAAC with 'A' Grade
Recognised by UGC as 'College with Potential for Excellence'
Narsapur - 534275, West Godavari District, Andhra Pradesh

Microsoft Upskilling Programme offered by Andhra Pradesh State Council of Higher Education (APSCHE) in Collaboration with Microsoft and Certiport during May 2022- June 2022

The Centre for Digital Learning and Innovation (CDLI) at Sri Y N College (Autonomous) provided training to Undergraduate and Postgraduate students on Microsoft Technology Associate (MTA) Online Courses during May 2022 – June 2022, which were offered by Microsoft in collaboration with the Andhra Pradesh State Council of Higher Education (APSCHE). The students received certifications with higher scores through a Certiport Authorized Testing Centre. Out of 29 registered students, 24 students obtained the certification, which is a matter of pride for the Centre.

Prof. B Jagannathan Reddy, the Adikavi Nannaya University Placement Officer and Nodal Officer for the coordination of MTA Courses, appreciated the students and highlighted the value of MTA Certification, which has numerous benefits in various applications. Sri Y N College (Autonomous) has been granted authorization by Pearson VUE to offer Certiport exams and is a recognized Certiport Authorized Testing Center (CATC). Additionally, students from other colleges also attended the MTA exams at the Sri Y N College CATC.

The training programme included video content, access to the APSCHE Portal and SharePoint platform, which enabled students to enroll in the Microsoft Course they wished to attend. Furthermore, a platform was provided to the students to sign up, study, take mock tests, and prepare for certification. Students also received access to Microsoft 365 and a LinkedIn subscription to their full catalogue of courses. Participating students had the opportunity to access over 8,600 LinkedIn courses, which assisted them in developing their business, creative, and technical skills. These Courses aimed to accelerate the digital skilling of the youth and enable them to be employable in the industry.

Certificate of Authorization from Pearson VUE- Certiport
