ACKNOWLEDGEMENT

I take this moment to express my deepest gratitude to all those to all have guided, supported, and encouraged me in successfully completing my project. This journey would not have been possible without the valuable contributions of many individuals.

First and foremost, I extend my heartfelt thanks to Dr. Ankita Singh mam for his unwavering support in every aspect of my project work. His guidance and encouragement played a crucial role in ensuring its successful completion.

A special thanks to my Mentor Sub. Lt. G. Sam Babu Sir, HOD of Biotechnology, Sri Yerramilli Narayana Murthy College for continuous support and encouragement. I am also deeply thankful to Kum. Koppineedi Sharon Puspha mam for their valuable suggestions and assistance.

Word cannot adequately express my gratitude towards my parents and family for their unconditional love, constant encouragement, and the sacrifices they have made to educate and prepare me for the future. Their support has been my greatest source of strength.

Lastly, I extend my sincere appreciation to my classmates, friends, and everyone directly or indirectly who has played a role in the successful completion of this project. Your encouragement and support mean the world to me.

With Warm Regard

BODDU AJAY
