## **Alumni Feedback Analysis Report on Syllabus**

### **For the Academic Year 2024-25**

Alumni feedback on the syllabus for the Academic Year 2024-25 was systematically collected and analyzed to assess the relevance, structure, and effectiveness of the curriculum. A total of 142 alumni responses were received. The analysis reveals an overwhelmingly positive perception of the syllabus across all parameters. More than three-fourths of the alumni strongly agreed that the syllabus is well structured, interesting, relevant to the programme level, and socially responsible. The feedback also highlights that the syllabus provides adequate scope for practical exposure, employability skills, life skills, and value-based education. The negligible percentage of moderate responses and the complete absence of negative responses indicate high alumni satisfaction. Overall, the findings confirm that the curriculum is well designed, outcome-oriented, and aligned with institutional goals and stakeholder expectations.
