ACKNOWLEDGEMENT

I express my sincere gratitude to Sri Y. N. College (Autonomous), Narasapur for providing me with the opportunity to complete this project successfully.

I express my sincere gratitude to Dr. Ch. Kanaka Rao, Principal, Sri Y. N. College (Autonomous), Narasapur, for providing the facilities, encouragement, and academic environment necessary for the successful completion of this project.

I am deeply indebted to Sub. Lt. G. Sam Babu, Head of the Department of Biotechnology, for his constant guidance, valuable suggestions, continuous encouragement, and unwavering support throughout the course of this project. His motivation and expert advice played a significant role in the successful completion of this work.

I extend my heartfelt thanks to my project guide for providing expert guidance, constructive suggestions, and continuous motivation during every stage of the project. Their encouragement and timely advice greatly contributed to the successful completion of this work.

I also thank the laboratory staff and my classmates for their cooperation and assistance whenever required.

Finally, I express my sincere gratitude to my parents, family members, and friends for their unwavering support, encouragement, and inspiration throughout the completion of this project.
