*In the Ancient Wisdom, "Learning is a continuous and open-ended process".....*

*"A student learns 25% from Teacher, 25% from self-study, 25% from classmates, and the last 25% from his life".*

*The future is often predicated by the past and the past has memorable guidance for shaping one's career that forms the basis for higher achievements in quality education. Quality education depends on the environment that gives guidance to the young generation, changes its circumstances for better and develops the society. Education is the process that begins at birth and lasts up to last breath (womb to tomb). Education is not over; even after leaving the College. We learn something or the other in every moment of our life. Education is beyond the degree or the four walls of the classroom.*

*A complete revolution in the way we learn today has been brought about by technology. Each student gets in contact with a world-class education, which supplements traditional chalk and board method of teaching. The massive open online course (MOOCs), national programme on technology enhanced learning (NPTEL), study webs of active-learning for young aspiring minds (SWAYAM), universal academy (Udemy), courses for free online learn (Coursera), open edX platform (edX), LinkedIn Learning, and skillshare online are online courses aimed at unlimited participation and open access via the web. Therefore, the government has come up with an e-learning program. Many Ed-tech firms have tried to leverage the occasion by offering free online classes. The educational institutions have opted for different digital platforms (Zoom App, Google duo, Skype, MS Teams) to facilitate learning for their students.*

*At present Rumour Transfer Time (RTT) is high, while Knowledge Transfer Time (KTT) which benefits everyone is very small. This has to be reversed to make our lives meaningful. Today, 'The age of ICE' i.e., Information, Communication, Education (ICE) alternatively Information, Communication, Entertainment (ICE) has narrowed distances and made the world, a global village. To succeed today, our younger generation has to face much more severe challenges than those of a decade earlier. The whole scenario has changed with the increasing pace of life, information-explosion and awareness, competition and consequent stress and strain. The most essential pre-requisite to succeed fast is the modern art of communication and technology of information flow. This is not possible without adequate knowledge of digital technology. However, despite faster information flow, students are now more atomized, lonely and alienated. 'Word wars have replaced the world wars'.*

*I owe a deep debt of gratitude to the management in general and Dr. Chinamilli Satyanarayana Rao, Secretary & Correspondent in particular for his support and my heartfelt thanks to all the members of the magazine committee in sharing the onerous task of bringing out this prestigious issue.*

## PRINCIPAL'S REPORT

2019 - 2020

**Dr Karna Venkateswarlu**  
Principal

I am happy to bring to your notice that our's is an Institution, thrice Accredited by NAAC at 'A' grade and twice recognized as College With Potential for Excellence by UGC. I am extremely happy to present the annual report of our prestigious institution for the academic year 2019-20. In this context, I wish to express my sincere gratitude to the College Management, Teaching and Non- Teaching Staff for their excellent support extended during this academic year.

Prof. P. Suresh Varma, Hon'ble Vice Chancellor Adikavi Nannaya University, Rajamahendravaram attended as a Chief Guest in the College Graduation Day on 11-10-2019.

The members of the UGC Expert Committee for Extension of Autonomous Status, Prof. Kailash Chandra Sharma, Chairperson, Vice Chancellor, Kurukshetra University, Haryana State, Prof. B. N. Singh, Member, Professor & Former Head, University of Allahabad, Dr. R. Nagarajan, Member, Principal, AVCC College, Mannampandal, Tamil Nadu, Dr. D. Jyothirmai, University Nominee, AKNU, Rajamahendravaram, Mrs. C.K. Bhalla, Coordinating Officer, Under Secretary, UGC, New Delhi, visited our College on 3rd & 4th February 2020. The committee observed the activities of all the departments, Centers and Extension activities

of our College and appreciated the good initiative of the College and the motto of the college to Achieve Excellence.

Sri Y N College offers 9 combinations of courses at Intermediate level, 20 at UG level and 5 at PG level. The present student strength of the College is 3126 which includes 1803 in UG, 490 in PG, 742 in Intermediate, 91 in B.Ed. & D.Ed. In addition to that 200 Students in UG and 150 in PG joined in AU Distance Education during this academic year. As part of the curriculum, 15 certificate courses and 05 Add-on courses were conducted in August 2019. This year also special training in English Language Skills has been conducted to all 1st year degree and 1st year PG students by ILM, Bangalore throughout the year. The College Yoga & Meditation Center conducted classes to all 2nd year degree and 1st year PG students as a curriculum program.

As a part of the Quality Mandate, University Grants Commission (UGC) has set the goal to get every Higher Education Institution (HEI) accredited by the year 2022 NAAC. In order to achieve the goal, UGC has introduced a new scheme 'PARAMARSH' to enable Higher Education Institutions to upgrade their Academic Performance, enhance their overall Quality and get them accredited by NAAC.

We are happy to inform you that our College has been identified as a 'Potential Mentor College' by UGC under 'PARAMARSH' scheme. In this scheme our college has to give guidance to "5 Mentee Colleges" which are going for NAAC for the first time. This is a great opportunity and recognition to our esteemed college. A meeting was organised with NAAC Criterion Heads and members regarding 'Paramarsh' on 19-10-2019, which was addressed by Dr. Chinamilli Satyanarayana Rao, Secretary & Correspondent, Accreditation Ambassador to guide the NAAC criterion heads and members.

I am very happy to announce that we have been sanctioned Rs. 2 crores by HRD under Rashtriya Uchchar Shiksha Abhiyan (RUSA) Phase-II, Component-9 (Infrastructural Development Grant). This amount is being utilized for the construction of Boys Hostel in our college campus and to improve academic excellence by constructing Virtual Class rooms, Digital Class rooms, Labs and Library. Tenders for the construction of Boys hostel were called for by the State Govt. through-Andhra-Pradesh-Education-Welfare-And-Infrastructure Development-Corporation (APEWIDC) and it is in progress.

An orientation programme was organized on Minor Research Projects and Student Minor Research Projects which were sanctioned under RUSA 2.0 to the faculty on 20-6-2019. Ch.S.D.St. Theresa's College for Women (A), Eluru handed over RUSA 2.0 Projects (worth of 29 Lakhs) to the RUSA & IQAC Coordinators of Sri Y.N. College. The department of Physics, Electronics,

Chemistry, Management Studies (MBA), Mathematics, and Computer Science conducted national seminars and workshops. The Departments of English, Telugu, Sanskrit and Hindi jointly organized a two day International Seminar. Apart from these Faculty Development Programme and Students Support Training programmes were conducted under RUSA 2.0. Ten Minor Research Projects (MRPs) and 31 Students Minor Research Projects under RUSA 2.0 are ongoing and in progress. All these projects are in the completion stage.

An orientation programme was organized on "Continuous Professional Development (CPD)" to the newly appointed teachers on 4-8-2019.

The prestigious Alumni (old student of our college), Padma Bhushan Dr. Konidala Chiranjivi, Megastar, has given Rs. 50 lakhs from M.P. LADS for the development of the college. This amount has been utilized for the construction of Northern Side of PG Silver Jubilee Block 1st floor in Dr. C.S. Rao PG Centre, Sri Y. N. College.

We are conducting job oriented training classes to college students and unemployed youth in and around Narsapur through our college HRD center in collaboration with APSSDC.

In this academic year we have started two, 3 year B.Voc. Courses: Fashion Technology & Apparel Designing and Health Care & Nursing and one 1 year Diploma Course in Web Designing & Multimedia sponsored by University Grants Commission under National Skill Qualification Frame Work (NSQF) - New Delhi.

Prof. P. Suresh Varma, Hon'ble Vice Chancellor Adikavi Nannaya University, Rajamahendravaram inaugurated the Innovation & Entrepreneurship Development Centre (IEDC) on 11-10-2019.

One new course, B.B.A. is added to the feathers in the cap of Sri Y N College (Autonomous) at degree level in this academic year. This course was inaugurated by Sri K. Nageswara Rao, DSP, Narsapur and Prof. R. Prabhakar Raya, Former Dean, Pondicherry University on 4-7-2019.

The College has a very competent and experienced faculty. There are 20 Ph.Ds (Doctorates), and 20 M.Phils among the College Faculty. We registered a pass percentage of 73% in B.Sc., 86% in B.Com and 80% in B.A. and an average 78% during the Fifth Semester End Examinations in Nov, 2019. This year also Choice Based Credit System (CBCS) has been successfully implemented for third year students by selecting Cluster Electives.

The Independence Day was celebrated on 15th August, 2019 and the National flag was hoisted by Sri Ponnappalli Sree Rama Rao, Treasurer, Sri Y N. College on the occasion. On that occasion Ceiling Fans were distributed to the Kalyani Rehabilitation Centre, Peechupalem and Cash incentive to Bondamma Old Age Home, Narsapur by the College Management. As a part of Independence Day celebrations the Scholars Day was conducted. Prof. Thalari Vasu, Adikavi Nannaya University, Rajamahendravaram was the Chief Guest and released the College Newsletter 'Reflections'. Gold and Silver Medals, Merit Certificates were given to the meritorious

students of Intermediate, UG and PG courses. The Management of our College distributed cash incentives of Rs 5,000/- to Physically Challenged students. Special Prizes constituted by the eminent people of our town and retired faculty of our College were also distributed on that occasion.

Teacher's Day was celebrated on 05-09-2019. The Management of our college felicitated the Teaching staff, Dr. M. Nageswara Rao, Faculty of English (UG), Dr. Gandham Sri Rama Krishna, Associate Professor, Department of Management Studies (MBA) and Smt. Nallam Vana Priya, Faculty, Dept. of Economics (UG) on that occasion.

We also organized Telugu Language Day, Hindi Diwas and NSS Day programmes, Gandhi Jayanthi celebrations, Birthday Celebrations of Alluri Sitaramaraju, Sri Tanguturi Prakasam Pantulu and Sri Srinivasa Ramanujan, AIDS Day, International Yoga Day, Voters Day, etc., in this academic year.

Competitions were conducted in Sports, Literary and Cultural activities. Training classes in English Communication Skills, Personality Development, Disaster Management, Kishora Vikasam etc. were conducted.

The Republic Day celebrations were conducted on 26th Jan 2020. Sri G.V.K. Rama Rao, Vice-President of our college attended as Chief Guest and hoisted the National Flag and gave message on that occasion. The Management of our College distributed sewing machines to the poor women trained under Community Service Center of our college and on that occasion also distributed 1000 Cloth Bags to the participants.

Two of our students Mr. P. Jagadesh and Miss. Ch.Jahnavi Chowdary have participated in the Republic Day parade at New Delhi.

We conducted the College Annual Day on 12th March, 2020, for which Prof.Padala Raja Sekhar, Prof of Psychology, AdiKavi Nannaya University was the Chief Guest. We distributed cash awards sponsored by Padmabhushan Dr. B. V. Raju Foundation, Bhimavaram, which has been annually giving Rs.1 lakh towards the scholarships for the 50 poor & meritorious students of UG and PG since the academic year 2007-2008. Also, College has been giving 57 Endowment Prizes to the meritorious students in Degree & Intermediate.

I am glad to inform you that all the Departments of our college has conducted Student Seminars, Guest Lectures, and Quiz Competitions and assigned Project Works to students. Remedial classes for backlog students were conducted by all departments and coaching for competitive examinations for Final year Degree students is being conducted.

Miss. S.M.Maheswari participated in 6-Day MOOCs and MOODLE Training Programme at NITE Warangal from 30-11-2019 to 5-12-2019.

In this academic year various departments of our college, in addition to the classroom teaching, organized guest lectures by inviting university professors and experts from industries from time to time. They also conducted awareness programmes on socially and educationally relevant issues. The support services like NSS, NCC, HRD Centre, Innovation & Entrepreneurship Development Centre (IEDC), Women Empowerment Cell, Community Service

Centre, Yoga & Health Centre, UGC Gandhian Studies Centre etc., conducted various activities, orientation programmes, workshops, seminars, extension activities and service camps. Many of our faculty members are actively involved in research and publications. Our faculty members also participated in UGC/ICSSR sponsored National and International Seminars conducted by various universities and colleges in Andhra and Telangana States. 1st year PG students and 2nd year Degree students were given training in Yoga & Meditation Centre introducing in their regular curriculum.

Our college HRD Center (Skill Development and Placement Cell) is actively working to provide guidance for Career Development and Placements for our College students and unemployed youth. An Innovation & Entrepreneurship Development Centre is created this academic year to develop an entrepreneurial mindset in students. SRI Y.N. COLLEGE (B.ED.) &  
SRI Y.N. COLLEGE OF ELEMENTARY EDUCATION (D.EL.ED.)  
PRINCIPAL'S REPORT - 2019 - 2020**

**Mutyala Kalyana Rama Krishana Rao,  
Principal I/c**

I feel it as a Privilege to present the annual report of the college for the academic year 2019 - 20 B.Ed. & D.El.Ed.

Sri G.V.R. Institute of Education - Sri Y.N. College (B.Ed. Course) has been affiliated to AKNU, Rajamahendravaram and with the approval of NCTE, Bangalore. The NCTE, Bangalore changed the examination system pattern into Semester system. Therefore, the B.Ed. course is two years programme now.

Sri Y.N. College of Elementary Education (D.El.Ed.) two years programme was granted by NCTE, Bangalore and which is affiliated to SCERT, Govt. of Andhra Pradesh, Hyderabad in the year 2015. This two years D.El.Ed. course was started in the year 2016.

I am glad to say that 11 batches of B.Ed. and 3 batches of D.El.Ed. successfully completed their course and some of them were employed in Government and non Government schools.

At present II Semester, IV Semester B.Ed. and D.El.Ed. I Year, II Year students are taking their teacher training programme in this college.

Guest lectures, group discussions, awareness programmes, workshops, seminars are arranged, important days are observed and various programmes are conducted in our

college to bring awareness about the special days like Environmental day, Yoga day, Independence Day, Telugu Bhasha Dinostavam, Teachers Day, World Peace Day, Gandhi Jayanthi, International Teachers Day, Children's Day, Aids Day, Math's Day, Republic Day, Gandhi Vardanthi, National Science Day, Women's Day, World Health Day, Nutrition Day, Farmer's Day and International Anti-Corruption Day.

Rallies were conducted by our students to bring awareness in public about pollution problems, importance of water, importance of Ozone layer, dangerous diseases like Aids, Cancer, and diseases caused by houseflies and mosquito etc.

The programme Swachh Barath is continuing on every Saturday afternoon 2 pm to 4 pm. Yoga theory and practical classes are being conducted in our college.

Our students participated in various competitions in and around the college and won the prizes in the following items.

1. Debate competitions
2. Essay writing competitions
3. Quiz competitions
4. Drawing competitions
5. Rangoli competitions

To explore the talents among the

students "A Talent Day" was conducted.

"Food festival" was also conducted by our students to bring awareness among them that traditional food is always very precious and great than fast food and processed food. A traditional dress competition was conducted to know the importance of Indian traditions and culture.

A Rally was conducted in the name of "VOICE OF FIRE" to inspire the youth on the eve of "Swami Vivekanada Jayanthi".

One more rally was conducted by our students on 30th January of 2020 in the name

"Santhi Yathra" to show the path of non-violence.

Many of our staff members participated in National & International Seminars and workshops conducted by neighbouring colleges in our East and West Godavari Districts for knowledge enhancement.

My profound thanks to the management for their concern in all our academic and intellectual endeavors. I thank the staff members, both teaching and non-teaching for their Co-operation, and timely response to run the training programme successfully.

b) In association with NSS Units of our College, Our Gandhian Studies Centre organized Agricultural visit on 4th October, 2019 to the Agricultural fields at Peetanimeraka where our students participated enthusiastically and did agricultural field work i.e., Srama dana.

c) On 5th October 2019, our Gandhian Studies Centre organized a programme on Sibling Plantation in our college Premises.

#### VII. Celebrations

a) The Centre celebrated "Gandhi Jayanthi and Prisoner's Welfare Day" in the Sub-jail, Narsapur on 2nd Oct, 2019.

b) The UNO Day was celebrated on 24th Oct 2019 in association with Lions Club of Narsapur and certificates and prizes were distributed to prize winners.

#### VIII. Fruits Distributed

On the occasion of 150th Birth Anniversary of Mahatma Gandhi, fruits (apples) were distributed on 2nd October, 2018 to nearly 70 prisoners at Narsapur Sub-Jail.

#### IX. A Three day Training Programme

In association with UG Depts. of History & Politics, we organized a Three day Student Training Programme under RUSA 2.0 Scheme on "Awareness of Indian History and Polity & Mahatma Gandhi" on 26th, 27th & 28th of September, 2019. After completion of the program on the third day, i.e., 28-9-2019, a group II model test with OMR sheets was conducted for the participants.

## WOMEN EMPOWERMENT CELL

ANNUAL REPORT - 2019-20

**S.M. Maheswari**

Coordinator,

Sri Y.N. College, affiliated to AdikaviNannaya University, is a reputed institution in this region. The Women Empowerment Cell of Sri Y.N. College was started in the year 2003 to play a proactive role towards sensitization of the girl students role towards gender issues to provide a congenial atmosphere in the College campus. The Cell aims at creating awareness among the girl students and the women staff members to achieve socio-economic liberation. It has been continuously striving for achieving gender equality and to sensitize the student community regarding the issues of eve-teasing, violence against women, female feticide etc. The Cell has been organizing group discussions, lectures and interactive sessions with experts in the relevant fields to motivate and create awareness among girl students. It seeks to empower women as decision-makers and to achieve economic, social and gender justice. On International Women's Day, every year the Cell invites and felicitates eminent women from different walks to life to motivate and inspire the girl students. On this occasion,

'The Women Empowerment Cell' felicitated 'Sanitation Employees' of the Narsapur Municipality and distributed gifts to all of them. The Women Empowerment Cell organised an awareness programme on International Women's Day by inviting Smt. Naga Mani, Principal, BGBS Women's College on 8th March 2020. The Cell also looks after the wellbeing of the girl students by providing all the amenities they require to continue their education in an amicable, inspiring atmosphere to become bold and healthy future citizens.

The Cell organised Awareness programme on Sexual Harassment and Self-defence Training Programme to the girl students on 01-02-2019. The students practically learnt some important and useful, easy techniques to defend themselves when they face any danger in their day to day life. The cell has very useful DVDs, Audio CDs and Books which are quite useful to enhance the knowledge and awareness of the students on various women issues.

We thank the Management, Staff and Students for their cooperation.

## INTERNET OF EVERYTHING (IOE) - A NEW WAVE IN EDUCATION

**Mr K V Phaneendra**

M.Sc. (Hons.) (ESD), UGC-NET  
Lecturer, Department of Electronics

Technology is proving to be a disruptive influence on education today. With technology as a catalyst, education is moving from a knowledge-transfer model to a collaborative, active, self-directed, and engaging model. This change couldn't have come at a better time for India.

The urban population in India is expected to grow faster than its overall population by 2030. This will create a huge pressure on the economy and the education system. Along with this there are other challenges in our education system. First is the sheer capacity to deliver education to all sections of our society. The quality of existing educational institutions is another challenge. Technology has the capability to address all these issues. Trends such as the growing penetration of high speed broadband, low cost computing devices and a strong thrust from the Government are accelerating the transformation of India's education system.

### **IoE in Education:**

We're at the dawn of the age of the Internet of Everything (IoE) enabled by network, Wi-Fi, IT security, Cloud surveillance and software applications for learning. Deploying these solutions will not only help

institutes save costs, but provide connected learning experience that will make it easier for higher education institutes to collaborate on research projects.

Although these are early days, IoE is opening up a new world of educational opportunities, not limited by time and place, for students to learn more, and in new ways, by connecting to resources around the globe. The focus will be on Collaborating with the learners than mere delivery to the learner.

Prime Minister Narendra Modi's emphasis on the Digital India campaign looks to increase the scope of technology across the country. The campaign aims to ensure better connectivity and maximise the potential of India's much talked about demographic dividend.

Creating broadband highways across the length and breadth of the country would go a long way in revamping the educational space digitally. The shortage of education institutes and faculty can be addressed when content on cloud or relevant technology is made accessible to everyone.

The National Mission on Education through Information and Communication Technology (NMEICT) Scheme meanwhile

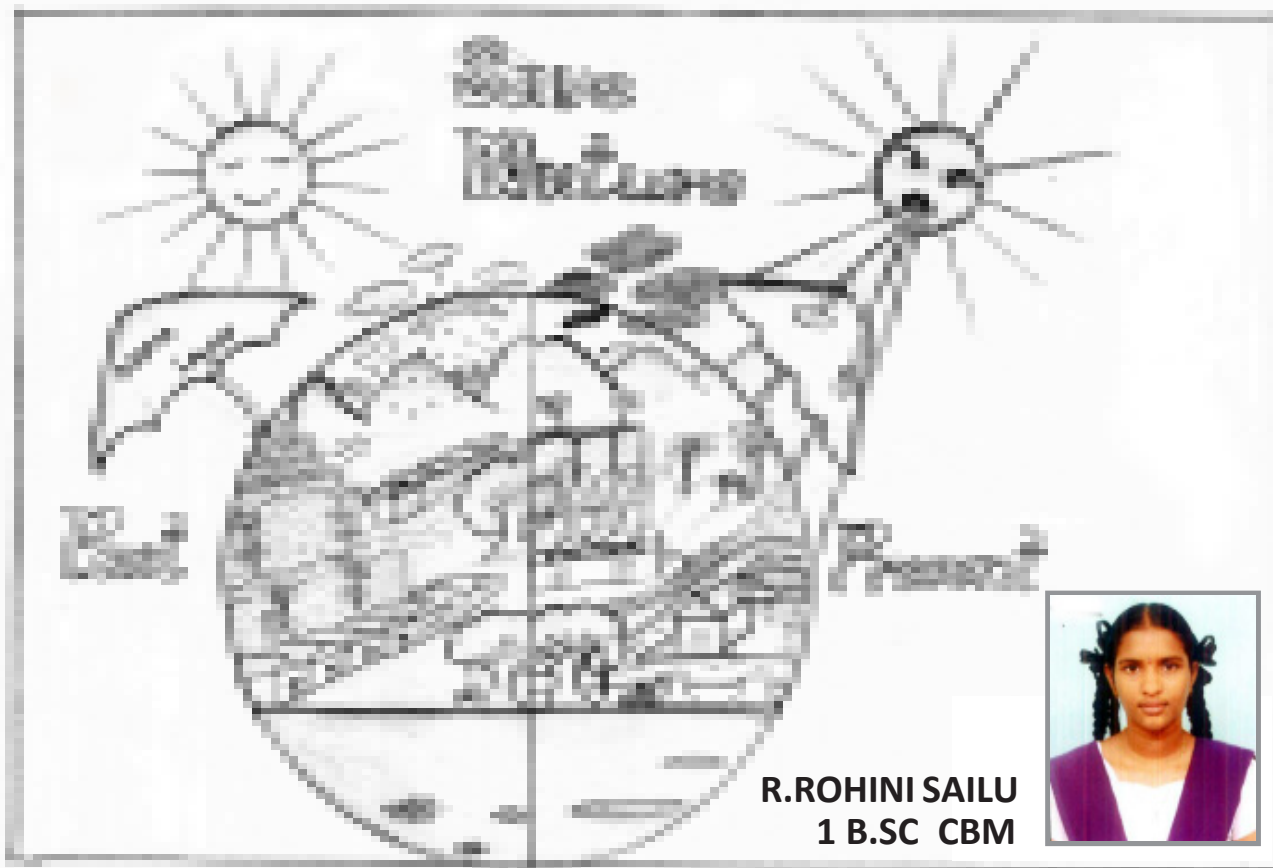

aims to leverage the potential of ICT for teaching and learning processes. The Mission has two major components - content generation and providing connectivity along with provision for access devices to the institutions and learners. Under the NMEICT Mission connectivity to 419 Universities/ University level Institutions and 25000+ colleges in the country has been envisaged to be provided.

Indians are among the most aggressive users of the Massive Open Online Courses (MOOCs). In October 2019, of the 2.9 million registered users of *Coursera*, more than 250,000 were from India. The Indian

registrations are second only to those from the USA.

In this new ecosystem, education in several institutes is gradually migrating from campus based learning to E-Learning or blended learning, curriculum on Internet/ cloud, learning through mobile computing devices over secure Wi-Fi, collaborating over video, assessment through online tools and integrating all this for Any Time Any Where Learning through applications like LMS (Learning Management System).

It is time for India to ride the technology wave since it offers many distinctive advantages.

## **PERCEPTION**

**HARIPRIYA.V**

II MBA

Perception is the way in which something is regarded, understood, or interpreted. To be technical, perception is the process of getting, interpreting, selecting, and organizing sensory information. It includes the collection of data from sense organs and the interpretation made by the brain. Perception is a lot more than just “information coming in”. In my view, perception is an inbuilt hidden art in every individual which influences, and is also a result of every thought, judgement, decision, action, behaviour and ultimately the character of an individual. The way a person perceives is very important and highly influential for building a society.

An action or situation or an event is perceived by different people differently, moreover a single situation, action or an event can be perceived by the same person differently at different times. The way an individual perceives can tell us about their character. Their thoughts, intentions, approaches towards activities and situations, experiences, etc., influence the way an individual perceives. Thus, how we perceive or see is how we are. Perception of an individual is an internal subconscious

process that the brain does every moment. This process is influenced by various factors which eventually influence our each and every action.

Every action of our body is a reflection of our mind. For example... If we like to talk to a person, we unknowingly lean towards them... If we don't like, we unknowingly lean away from them. Those are called instincts and they are influenced by our perceptions. So perceptions make huge impact in each and every action, judgement and decision an individual does and makes.

Our mind perceives a situation or a conversation depending upon the tempo and the modulation of the conversation, rather the content of the conversation. This influences the mood and the response of the receiver of the conversation. Hence a complicated discussion can be either solved smoothly maintaining smooth tempo or can be made more complicated and difficult with hoarse tempo in the conversation.

Perception stands as the base for all kinds of activities, actions, movements (even hidden and unseen movements) that we knowingly or unknowingly do.

An easy problem becomes difficult when it is seen or thought to be difficult. Same way, a difficult problem becomes quite easy when it is seen to be easy. This is the power of perception.

This concept of perception applies at every minute as well as to huge aspects in life. So, keeping one's perceptions pure without negativity and judgements, develops the mind's ability of perceiving or seeing things in a good and healthy way. In another way, we can say that the way an individual perceives an action, situation or event tells us about his/her character...

For instance, from a same situation or incident, an afraid man sees everything with fear, hence it seems scary to him. Likewise, a positive man observes only positive and good things, hence he could see good and positive things from the situation. Likewise, a negative and depressed man, observes all kinds of bad and negative things from the same situation.

Hence, as the saying beholds, beauty lies in the eyes of the beholder. But it doesn't just go only with beauty, it includes positivity, goodness, happiness, joy, pleasure, contentedness, completeness, etc,. And also negativity, sadness, depression, sorrow, pain, discontentment, unfulfillment,etc,.

On the other side, the perception of an individual can be influenced/ changed by the way an individual uses the words and

through his/ her energy. An hardest truth can be told in a sweetest way so that it doesn't hurt much, likewise, a good thing can be told in a bad way hurting people.

One has to know how to spread positivity to the people in the society rather than spreading negative energistic perceptions which spoil the essence and purity of the society. Through spreading positive energies, appropriate sociability of people, productivity from people, harmony among people in a society can be obtained and flourished thus making it a healthy successful society.

In my view, one can train themselves to perceive things positively. But it takes huge determination, concentration and importantly stability of mind.

"Ultimately it's one's perception that what makes one happy or sad...Perceive in the way it makes u happy..."

Unhealthiness in perception makes one create an unhealthy environment...thus creating unhealthy society..spread healthiness in perception, so that we can create a healthy environment and a healthy society.

Avoid wrong, misleading perceptions to avoid disturbed, polluted society. A society must help an individual to enhance his creativity, develop his abilities, nurture with values, support in bringing out the abilities, motivate in exhibiting those abilities."

## GREAT MATHEMATICIAN SIR SRINIVASA RAMANUJAN

**CHILD HOOD:** Srinivasa Ramanujan was born on 22nd December 1887 into a Tamil Brahmin Iyenger family. Madras Presidency (Now Tamilnadu), at the Residence of his maternal grand parents. His father Kuppuswamy Srinivasa Iyenger, originally from Tanjavur Distrit worked as a clerk in a Sari shop. His mother Komalatammal, was a housewife and sang at local temple. They lived in a small traditional home on Sarangapani Sannidhi Street in the town of Kumbakonam. The family home is now museum.

**EDUCATION:** On 1st October 1892 Ramanujan was enrolled at the local school. Later he was enrolled in Kangayan Primary School. Just before turning 10, in November 1897, he passed his primary education in English, Tamil, Geography and Arthmetic with best scores in the district. That year Ramanujan entered Town Higher Secondary School, where he encountered formal mathematics for the first time. Ramanujan was shown how to solve cubic equations in 1902; he developed his own method, the quartic. The following year he tried to solve quartic, not knowing that it could not be solved by radicals. When graduated from Town Higher Secondary School in 1904, Ramanujan was awarded the K.Rangaanatha Rao Prize for Mathematics. Ramanujan failed

his Fellow of Arts Exam in December 1906 and again a year later.

**ADULTHOOD:** On 14 July 1909, Ramanujan married Janaki, a girl his mother had selected for him a year earlier and who was ten years old when they married

In late 1910, Ramanujan was sick again. In 1912 Ramanujan moved with his wife and mother to George Town, Madras. In May 1913, upon securing a Reserch Position at Madras University, Ramanujan moved with his family to Triplicane.

**ILLNESS AND DEATH:** Ramanujan was plagued by health problems throughout his life. His health worsened in England; possibly he was also less resilient due to the difficulty of keeping to strict dietary requirement of his religion there and because of wartime

rationing in 1914 - 18. He was diagnosed with tuberculosis and a severe vitamin deficiency, and confined to a sanatorium. In 1919 he returned to Kumbakonam, Madras Presidency and in 1920 he died at the age of 32.

**MATHEMATICAL ACHIEVEMENTS :** One of Ramanujan's remarkable capabilities was the rapid solution of problems. In 1918 Hardy and Ramanujan studied the partition function  $P(n)$  extensively. They gave non - convergent asymptotic series that permits exact computation of the number of partitions of an integer. Ramanujan and Hardy's work gave rise to a powerful new method. In the last year of his life, Ramanujan discovered Mock Theta Functions. The number 1729 is known as the Hardy - Ramanujan number after a famous

visit by Hardy to see Ramanujan at a hospital. In 1918, he was elected one of the youngest fellows in the history of Royal Society for his investigation in Elliptic Functions and the Theory of Numbers

**RAMANUJAN'S NOTEBOOKS :** While still in Madras, Ramanujan recorded the bulk of his results in four notebooks of loose leaf paper. The first note book has 351 pages and some unorganised material. The second has 256 pages in 21 chapters and 100 unorganised pages, and the third 33 unorganised pages. In 1976 George Andrews rediscovered a fourth note book with 87 unorganised pages, the so called "Lost note book"

## A BRIEF NOTE ABOUT JOHN MILTON

V.J.M. BHARGAVI

2<sup>nd</sup> B.A. (Litt.)

**FAMILY BACKGROUND:** John Milton was born in London in Bread Street, Cheapside. On the 9<sup>th</sup> December 1608. His father has been able to attain some prominence and make a comfortable fortune as a scrivener or notary and through the allied business of private banking or money lending-Possibly the poet inherited from his father a disposition toward religious independence. He also owed to his father a debt in the way of music. The father was composer, not of the first rank but still of enough repute. The poet's life-long devotion to music is seen in the warmth of his adhesions to it. Milton's mother was well estimated and known for her charities. Milton had an older sister Anne and a younger brother, Christopher. Who became a lawyer.

**EARLY EDUCATION:** Milton received his early education at home under private tutors and was then admitted to St. Paul's School, perhaps in 1620. At school he studied Latin and Greek, besides other subjects. One of his private tutors was a Scotsman, Thomas Young, to whom he later wrote two letters and the Latin Elegy IV (1627) in which he gracefully tells of introducing him to Latin poetry.

Milton was from childhood a great reader. This excessive reading proved to be the initial cause of his subsequent blindness.

**AT CAMBRIDGE :** In 1625, Milton Matriculated at Christ's College, Cambridge. He obtained his B.A degree in 1629, and his M.A in 1632 at the same University. Milton wrote

abundant Latin verse and seven Latin prolusions. ("prolusions" were public speeches made by students to prove their learning and their rhetorical and argumentative powers)

**THE PURITAN NOTE IN MILTON :** Milton was essentially a puritan poet. He passed a tremendous moral fervour. He wanted to write poetry in the service of the god; he wanted to serve his maker with his in born gift of poetry. As he tells us in the Sonnet "On His Blindness" "The Ode on the Morning of Christ's Nativity" is "a puritan's tribute to Lord Christ. His greatest poem Paradise Lost, was written with the explicit intention of vindicating the ways of god to man. It is a poem based on the scripture. It has been described as the dream of a puritan fallen asleep over his Bible.

His Sonnets deal with patriotism, duty, music and subjects of political interest. He also wrote a few personal sonnets of which the best-known are "On his 23<sup>rd</sup> Birthday" and "On his Blindness". "Milton's Paradise Lost" is the greatest epic poem in the English literature. Milton's imaginative control of his scenes extends even to illustrative details and exact features of language.

The period extending from 1625 to 1660 is generally described as "The Age of Milton" in English Literary History. This period marks the end of what is known as the Renaissance. The Age of Milton is filled with the political and religious strife of the reign of Charles I (1625-1649) and the triumph of Puritanism

He died on 8 November 1674, because of kidney failure.

## DESIRE

Desire is the gift of god and is the propeller of one's Life's principle, that is, desire is a creative power and it's fulfilment takes place in one's mind.

At the center of one's being should be peace of god. In this stillness, one should feel the strength, joy and love of his holy presence. One should realize that infinite intelligence leads and guides us in all our ways. It is a lamp unto one's feet and light unto one's path. One should ride the white horse, which is the spirit of good morning in the waters of mind. One should take their attention, away from any perceived problems and dwell upon the reality of the fulfilled desire. One should see the accomplished fact and rejoice.

Every one is a flame of divine fire with a lot of potential. There are two ways we can approach our future, either with fear or with confidence that never deserts.

Resolve to eliminate phrases like "I-cant", contemplate "I am", where spark of faith will become a flame - a perennial fire that always lights yours dreams and desires as well.

## SOCIAL MEDIA MARKETING

Now a days social media became a part of our lives. Google too adopted "SEARCH PLUS YOUR WORLD".

Social media marketing is a powerful way for business of all sizes to reach prospects and customers. Social media marketing is a form of Internet marketing that involves creating and sharing content on social media networks in order to achieve your marketing. Social media marketing includes activities like pasting text, images, videos.

Before you begin creating social media marketing campaign's, you must consider your business goals. Starting a social media marketing campaign without a social strategy in mind is like wandering in a forest without a map.

Social media marketing helps in raising brand awerness, improve communication and interaction with key audience. It creates a brand identity and positive brand association and many others.

## LIVING GODDESS NEPAL KUMARI

### HISTORY OF NEPAL KUMARI GODDESS:

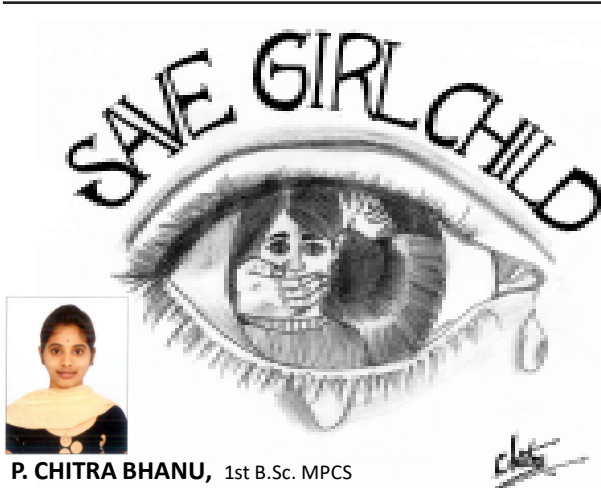

Whilst the veneration of a living Kumari in Nepal is relatively recent, dating only from the recent 17th century, the tradition of Kumari Puja, or Worship, has been around for much longer. There is Evidence of worship taking place in Nepal for more than 2,300 yrs. It appears to have taken hold in Nepal in the 6th century. there is written evidence describing the selection , ornamentation and worship of the Kumari dating from the 13th century.

There are several legends how the current tradition of Kumari began. Most of the legends, however involve the tale of the King Jaya Prakash Malla, The last Nepalese King the Malla Dynasty (12th - 17th century CE). According to the most popular legend, a king and his friend, the goddess Taleju approached

his chamber late one night as he played Tripasa, a dice game. The Goddess came along every night to play the game with the condition that the king refrains from telling anyone about their meetings.

One night, the king's wife followed him to his chamber in order to find out who the king was meeting so often. The king's wife saw Taleju, and the goddess was enraged. She told the king that if he wanted to see her again or have her protect his country, he would have to search for her among the Newari (Shakya) community of the Ratnawali, as She would be incarnated as a little girl among them. Hoping to make amends with his patroness, King Jayaprakash Malla left the palace in search of the young girl who was possessed by Teleju's spirit.

Even today, a mother's dream of a red serpent is believed to be a portent of the elevation of her daughter to the position of Royal Kumari.

MPCs 1st Year

Here is a Story narrated by a Person who worked at the national Eagle Centre When visitors ask of an Eagles second life. It is how when an eagle gets to be about 40years old and wants to live for another 30years. Flips to a mountain top and goes through a rebirth.

This is an inspring story that has circulated widely on the internet for years. It is a story of transformation and determination of live. The wide appeal of this story speaks to the eagle's extradinary power to captivate and inspire human beings. While this story is inspring, and may offer us a way to refer to our own life journey, the story is just that, a story. It is not accurate biologically.

- \* The eagle has the longest life-span among birds.(20-30yrs)
- \* It can live upto 70 years. But to reach this age the eagle must make a hard decision. In its 40's it's long and flexible talons can no longer grab prey which serves as food.
- \* Its long and sharp beak becomes bent.
- \* Its old -aged and heavy wings, due to their thick feathers becomes stuck to it's chest and make it difficult to fly.
- \* Then the eagle is left with only two options : Die or go through a painful process of change which lasts 150 days.

- \* The process requires that the eagle fly to a mountain top and sit on it's nest.
- \* There the eagle knocks it's beak against a rock untill it plucks it out.
- \* When it's new talons grow back, the eagle starts plucking it's old aged feathers.
- \* And after five months, the eagle takes it's famous rebirth and lives for 30 more years.

### 7 POWERFUL LIFE LESSONS FROM EAGLE:

The eagle is a fascinating bird known for its power and ability to fly high attitudes in the sky. It flies where no other bird can fly. As children, we are often told to soar like an eagle. Aim high and fly. Oh but if only it where that simple!

#### Consider The Eagle.....

- \* Eagles fly alone or with their own kind .

**Life lesson:** Associate with people who are at your level, or who can help you to grow. Also, not everyone will share your vision or dream. Find the people who think like you so that you can both dream and grow together. Don't waste your time with nay sayers and negitive people. And don't share your dream with just anybody You've got a dream? protect it.

\* Eagles have excellent vision and concentration. To catch their prey, They focus on it with laser like intensity and set out to get it.

**Life lesson:** Do the same with your goals. Focus on one thing to accomplish at a time. Give it your effort, time and energy, Focus and "Set out to achieve it"

\* Eagles feed on live food/meat: they donot eat dead animals .

**Life lesson:** Dont waste your energy and time beating a dead horse. Know when to say goodbye and let go. Keep your options open and your information current Do your reserch and preparation. Keep things current and keep them moving.

\* Eagles Love the storm. They get excited when storm clouds gather, Why?

They welcome the challange it brings. They know the storm winds will lift them above the clouds, they can rest their wings and become stronger.

**Life lesson :** Get excited about the storms in your life. Challenges bring opportunities. We could see the oppurtunites wrapped in our challenges, we weren't so busy complaining and trying to avoid them. Embrace our challenges and learn from them. That's how we learn new skills. grow and get stronger. Is this easy to do? Of course not. But we can learn how to.

\* The eagle tests the level of commitment before engagement

**Life lesson:** It is wise to ascertain the commitment of people we invited to partner

with. This is true in our personal, as well as professional lives. Establishing trust is importanat in relationships.

Eagles are a Master of change management. The mother eagle carefully prepares the nest for its eggs. When it is time for the eagles to learn to fly. The mother beings to remove the comfort layers from the nest, exposing the pricks and sticks. She then throws the eagles out of the nest.

**Life Lesson:** We must not become complecent in life clinging to the old and familiar. We can only grow if we are willing to step out of our comfort zone. The throns pain in life are there to tell us that

1. There is nothing more for us where we are and
2. It is time to move on grow and spread our wings further. The people who genuinely care about us will not encourage us in our slouthfulness and fear. While their treatment may seem unkind , It is for our ultimate good. Some times though love is best. They don't want us to die in our nest.

#### **Re birth involves death of the old self**

**Life lesson:** No pain no gain. Many of us want success or change, but requires our scarifice, hand work dissappointments and heart break that comes with it. To survive and grow, we must be willing to change. And sometimes we may even need to a step further-a death of the old self and a total rebirth ending toxic relationships, ending toxic jobs getting rid of destructive habits thoughts, traditions and mind-sets that no longer serve us.

## Why Should I Apologize?

**WHY APOLOGIZE?** \* Apologizing shows maturity:- When you take responsibility for something you said or did you indicate that you are developing essential qualities that you will need in adulthood. "Humility and patience can help us to apologize and then listen to what the other person has to say.

**\*Apologizing allows you to make amends**  
People who say "I am sorry" show that they are more concerned about making peace than about proving themselves right and proving the other person wrong.

**Apologizing helps you feel better** Regret over hurting someone by word or action is a heavy load to carry. Once you apologize though, that burden is lifted from your shoulders "There are times when I spoke rashly to my mom or dad. I feel bad, But I found it hard to apologize. When I did though, I always felt better because I restored the peace in the family"

**How to say I'm Sorry:** If possible apologize in person. A face to face apology allows the other person to see the genuineness of your remorse. Text apologies by comparison may fall flat. Even when accompanied by a sad faced emoji thy can seem impersonal and insincere.

**Tip:-** If you can't apologize in person consider calling on the phone or writing a card. Which

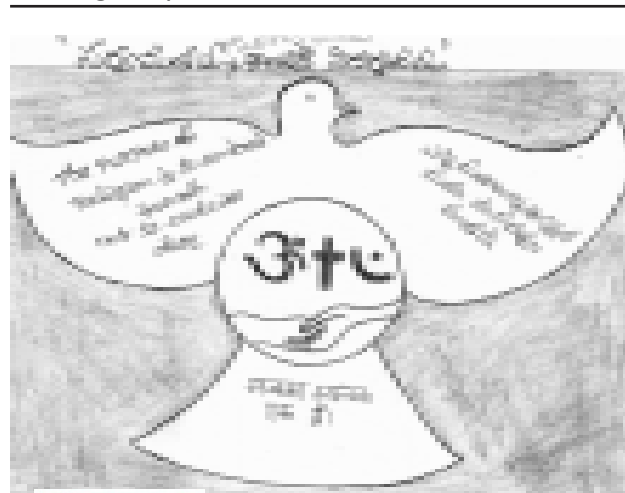

ever method you choose plan your words carefully.

Bible Principles:- "The heart of the righteous one meditates before answering" Proverbs - 15:28

**APOLOGIZE SINCERELY:** Saying "I'm sorry that you feel that way" is not an apology. The person who was wronged will usually respect you if he sees that you take full responsibility for what you did.

**Tip:-** Make the apology unconditional. Don't say in effect, I will apologize for my part of the problem if you'll apologize for your part.

Bible Principle: "Let us pursue the things making for peace" - Romas 14:19

## YOUTH - BACK BONE FOR NATION

We can undoubtedly say that today's youngster's are tommorow's creators, leaders and innovators.

Young minds are always more fresh and innovative which helps in the progress of the country. Mainly they need some required support and oppportunities to transform the future.

For a developed country, we must maintain more working population when compared to the dependent population. Youth is full of ideas, they have the finger on the pulse, so they are the best suited for the nation and the economy to grow. The new entrepreneurs of our country are sure to bring success and a change in the working system of the century.

Youth has the power to change everything. The youth is said to have hot blood and when it gets stirred up, they can fight anything, It may be corruption, terrorism or whatever it may be.

## A GIRL / WIFE NEEDS

I don't want your property

I don't want your bank balance

I don't want your fame

I want your time

I want your belongings

I want your haappiness

Finally I just want to be with you for ever  
and ever

I want a person who trusts me

I want a person who understands me

I want a person who cares about me

I want a person who will be with me in  
any situation of my life

I promise you, that I will be with you  
forever in any situation.

I promise you, to keep you and your  
family happy.

I promise you, that I will trust you till my  
last breath.

I promise you, that I will adjust to make  
you happy

I promise you, that you will be my world  
for ever and ever

I promise you, you will be my love for  
ever and ever

But please promise that you will love me  
forever and you will trust me for forever

This is the only thing I need from you  
nothing more than this

## DRAMA

**D.KUSUMA**

1st B.Sc

**Drama:** Drama is a type of literature telling a story. which is intended to be performed to an audience on the stage.

Using drama to teach English results in real communication involving ideas, emotions, appropriateness and adaptability; if short an opportunity to use language in operation which is absent in a conventional language class.

### TYPES OF DRAMA :-

**TRAGEDY :-** In the Greek sense, a play that ends with the death of atleast one of the main characters. In modern usage, it refers to a play that doesn't have a happy ending.

**COMEDY :-** It is a play that doesn't end in death. In modern usage, it refers to a play that ends happily or that is humorous. Mainly popular plays by Ben Jonson.

**TRAGIC COMEDY :-** A play in which serious and comic elements are mixed. Tragicomedy mainly popularised by William Shakespeare.

**MELODRAMA:-** Melodrama is the last one of the prominent dramas which came into existence during the time of 18<sup>th</sup> and 19<sup>th</sup> centuries, in which everything is hyperbolized. However the main point of a melodrama is not to tell a story but to awaken feelings in the audience.

### TECHNIQUES:

**VOCAL DYNAMICS:-** Your lines are just words untill you deliver them, but unless your voice is well trained, they'll still fall flat or sound forced.

**BODY LANGUGES AND MANNERISM:-** Stage directions are separate from spoken lines, but they work together to explain the events of plot and clarify each charector's emotions and personalities.

**USE AND AWARENESS OF SPACE:-** It's important to be aware not just of your marks on stage, but also of the actors who must interact with or move past you.

**MIME:-** Mime emphasises movement, actions and physical responses rather than dialogue and encourages participants to select moments to match the action and use of appropriate gestures and body language.

**NARRATION:-** Narration gives a spoken commentary on the action talking place during a drama. It's a useful technique in a number of ways.

**IMPORTANCE OF DRAMA:-** There is a chinese proverb that says

*"Tell me, I will forget  
Show me And I will reemember  
Involve me and I will understand."*

Drama allows students to communicate with and understand others in new ways. It also help us to develop tolerance and empathy

## FALL OF MAN IN SIN

**I. VANDANA**  
II B.A(Lit)

A Rebel angel influences the first man and woman, Adam and Eve, to reject God's rulership. As a result sin and death enter the world.

Long before creating humans, god created many invisible spirit creatures-angels. In Eden, the devil, slyly endeavored to tempt eve into eating the fruit of the one trees that god has ruled out.

Using a serpent, or snake, as a mouth piece, satan implied that god was withholding something desireble from the woman and her husband. The angel told Eve that she and her husband would not die if they ate the forbidden fruit. Satan thus accused god of lying to his human children. The deceiver presented disobedience to enlightenment and freedom. But this was all a lie - infact , The first lie ever spoken on earth. The real point at issue involved God's sovereignty or supreme rulership - whether god has the right to rule and whether he exercises it in a righteous way and in the best intrest of his subjects.

Eve believed Satan's lie. She began to desire the fruit and then she actually ate some of it. Later she gave some to her husband and he also ate it. Thus they

became sinners. That seemingly simple act was actually an expression of rebellion. By deliberately choosing to disobey god's commands Adam and Eve rejected the rule of the creator who had given them everything. Including perfect life.

## MOM

### THE MEANING OF TRUE LOVE

*The one who sacrifices,  
Everything for her child  
The treasure we seek, all the time,  
The moon in the darkest night,  
The sunshine in the bright morning,  
The cup of cake in the time of hunger,  
The First and last hope, in the World,  
The one who carries all our emotions,  
All the time she is the one and the only one,  
Finally, Mom.....  
The meaning of unflinching Love  
The meaning of Real sacrifice,  
The meaning of Pure selflessness.

## BUT RADHA WANTS MORE...

She dances with the boy everyone wants.  
 They tell her how lucky she is to have him  
 They toss garlands of Jasmines around her neck, pin her around  
 He mesmerizes everyone with his flute  
 He wrinkles at her and flings a protective arm.  
 about her shoulder,  
 His breath smells of sweet milk,  
 Yet fire and heat emanate from his skin.  
 When he laughs unaware, she sees the universe.  
 Radha Wants More.....  
 She traces the Flowers of her garland,  
 She wants to know her place in the world  
 Can she be more than a milkmaid in his shadow?  
 She crushes the bloom, Releasing perfume into her hands  
 Radha Wants More.....  
 Just as she weaves her garland through her long braid,  
 There's a tug at her wrist as the music starts again

Everyone has their own paths and their own journeys. To be the King/Queen of your life, you must have 2 things mainly: Trust and Patience.

Trust yourself more when you have doubt on your skills, yourself and your destiny. Because, the simple five letter word has a great power to build a strong mind-

## TRUST AND PATIENCE

power to accept people and any kind of problems.

Patience is the only weapon which can heal any kind of bitter experiences, and build a bridge to overcome all the bad times. Be patient whenever you feel that something is wrong, because time heals everything.

Be calm and have Trust and Patience to accept any kind of situations in life because we never know what miracles can happen in the next second. Trust yourself every time before trusting anyone else, because no one knows you better than yourself. Only you can help yourself in all kinds of situations.

## స్త్రీ విద్య

చెయ్యాలా, ఊళ్ళెలాలా అనే దౌర్భాగ్యపు వాదం మన సమాజాన్ని పట్టి పీడిస్తోంది. అందువల్ల భారతదేశం ఎంతగానో స్త్రీ మేధా సంపత్తిని కోల్పోయిందో! ఈ అధికార యుగంలో కూడా సుల్తానా, రుజియా, రుద్రమదేవి, కవయిత్రి మొల్ల వంటి వారు స్త్రీ శక్తిని పెంచారు.

“ముదితలే నేర్వగలేని విద్య కలదే ముద్దార నేర్పించినన్”- అని చాలా ముద్దుగా అన్నారు. మానవ జన్మలో పురుషుడెంతో స్త్రీ కూడా అంతే పురుషుడికి ఉన్న తెలివితేటలు, శక్తి, సామర్థ్యాలు స్త్రీకి కూడా సహజంగానే ఉంటాయనడం నిర్వివాదాంశం, కాకపోతే సంతానాన్ని కనడమనే ధర్మం ప్రకృతి స్త్రీకే విధించడం చేత శారీరకంగా స్త్రీ పురుషుని కంటే కొంత బలహీనులవడం చేత స్త్రీకి అబల అనే పేరు వచ్చి పురుషుని కంటే తక్కువ అనే భావం ఏర్పడి ఉంటుంది. స్త్రీ పురుషులు కూడా జంతువులు అనుకున్నప్పుడు పురుషుడు స్త్రీ కంటే అధికుడు కావచ్చేమో కాని మానవులు అనుకున్నప్పుడు ఏ వ్యత్యాసము లేదు. నవమాసాలు మోసి, సంతానాన్ని కని, పెంచి, పెద్దచేసే భారం ప్రత్యేకించి ఉండడం చేత స్త్రీయే పురుషుడి కంటే అధికురాలని చెప్పవచ్చు కూడా. అందుకనే “యత్ర నార్యస్తు పూజ్యంతే రమంతే తత్ర దేవతా” అంటే ఎక్కడ స్త్రీలు గౌరవింపబడతారో అక్కడ దేవతలు విహరిస్తారు అనే సూక్తి ఏర్పడింది.

విద్య అంటే తెలుసుకోవలసింది, తెలుసుకోబడేది అని అర్థం. అది జ్ఞానం ఈ జ్ఞానాన్ని ఆర్జించడంలో పురుషుడికి ఎంత అర్హత - అధికారం- అవసరం ఉన్నాయో సరిగ్గా స్త్రీకి కూడా అంతే ఉన్నాయి. ఆ విధమైన సమాన ప్రతిపత్తి కొంత కాలం సాగింది కూడా. వేదకాలం నాటి గార్గీ, మైత్రేయి, చూడాల మొదలైనవి స్త్రీలు వేదాంత విద్యలో గొప్ప విదూషీమనులనీ, యాజ్ఞవల్క్యుడు అనే మహర్షి శాస్త్ర వాదనలు కూడా చేసారని మనకు వాఙ్మయం చెబుతోంది. అట్లుగా రాముడు, సత్యవంతుడు ఎంతటి విద్యావివేకులో సీత, సావిత్రి కూడా అంతటి వారే అని వారి కథలే చెబుతున్నాయి. కైకేయి, సత్యభామ తమ భర్తలకు యుద్ధంలో సాయపడ్డారని కావ్యాలు చెబుతున్నాయి.

అయితే ఈ మధ్య వరకు ఆడపిల్ల చదువుకొని ,ఉద్యోగం

ఇక ఆధునిక యుగంలో రాజారామ్ మోహన్ రాయ్, దయానంద సరస్వతి, కందుకూరి వీరేశలింగం వంటి మహానుభావులు ఎందరో స్త్రీ జాతి ఉద్ధరణకు నడుం కట్టారు. అందుకు ప్రధానంగా స్త్రీ విద్యను ప్రోత్సహిస్తారు. దాని ద్వారా మగ పిల్లలతో పాటు ఆడ పిల్లలు కూడా పాఠశాలలకు వెళ్ళి చదువుకునే స్థితికి వచ్చాం. అప్పటి నుండి ఆడపిల్లలు మొగపిల్లలతో ఏ మాత్రం తీసిపోకుండా ఉన్నత విద్యలను అభ్యసిస్తూ, పోటీ పరీక్షలలో ముందుంటూ ఉద్యోగాలు చేస్తున్నారు. ఇప్పుడు స్త్రీలు డాక్టర్లుగా, లాయర్లుగా, పోలీసులుగా, ఉపాధ్యాయులుగా, రాజ్యసభ సభ్యులుగా, స్పీకర్లుగా ఇలా మగవాళ్ళు ఉన్న ప్రతీ ఉద్యోగంలోనూ ఆడవాళ్ళు పురుషునికి పోటీ ఇస్తూఉన్నారు. ప్రస్తుతం టీ.వీ.లలో పురుషులకన్నా ఆడవాళ్ళే యాంక్షర్లుగా రాణిస్తున్నారు. ఉద్యోగాలు చేసే తమ సంసారాలనే కాక అవసరం అయితే తమ తల్లితండ్రులకు సాయంచేసే ఆడవాళ్ళు చాలామంది ఉన్నారు. ఇలా చెప్పుకుంటూ పోతే రాజకీయాలలో ఇందిరాగాంధీ, అంతరిక్షయానంలో కల్పనా చావ్లా, సునీతా విలియమ్స్, శాస్త్రవిజ్ఞానంలో మేడంక్యూరీ, క్రీడలలో కోనేరు హంపి, కరణం మల్లేశ్వరి, పి.టి.ఉష, సానియా మీర్జా, పి.వి.సింధు మొ|| వారు సాధించిన ఘనత అందరికీ తెలిసిందే.

ఇలాంటి విషయాలను దృష్టిలో ఉంచుకొని మగవారి చదువుకు ఎంత శ్రద్ధ వహిస్తున్నారోఆడవారి చదువుకు కూడా అంతే శ్రద్ధ వహించాలి. ఇప్పటికీ విద్యాలయాల్లో 33 శాతం సీట్లను స్త్రీలకు కేటాయించింది ప్రభుత్వం. ఇది హర్షింపదగ్గ విషయం.

**“పురుషుడు చదివితే అతనొక్కడే చదివినట్లు  
స్త్రీ చదువుకుంటే కుటుంబం అంతా చదివినట్లు”**

ఈ సూక్తిని మనస్సులో ధృఢంగా నిశ్చయించుకోవాలి అప్పుడే భారత జాతి సంపూర్ణ వికాశాన్ని పొంది ప్రపంచంలో అన్ని రంగాలలోనూ రాణించగలదు.

ఒక కోటీశ్వరుడు 'ఐదు కోట్ల రూపాయల ఖరీదు గల నా కారుని ఫలానా రోజు పాతిపెడుతున్నాను'. అని పత్రికా ప్రకటన ఇచ్చాడు. నేను ఈ కారుని ఎందుకు పాతిపెడున్నానంటే ... నా మరణానంతరం కూడా ఈ కారు నాకే ఉండాలి' అప్పుడు అందరూ ఎంత బుద్ధిహీనుడు, కోట్ల ఖరీదైన కారుని వృధా చేస్తున్నాడు అని విమర్శించారు. చాలా మంది తిట్టారు కూడా అతడు పాతి పెట్టే రోజు ఏం జరుగుతుందో చూద్దామని ఆత్రంగాపోగై ఆచోటికి వచ్చి వున్నారు. కారుని పాతి పెట్టడానికి అక్కడ ఒక పెద్ద గొయ్యి తవ్వపెట్టారు. ఆ తతంగాన్ని అందరూ ఉత్సుకతతో, ఆత్రంతో చూస్తున్నారు. కారుని పాతిపెట్టడానికి అన్ని ఏర్పాట్లు పూర్తి అయ్యాయి. ఇంతలో అక్కడికి ఆ కోటీశ్వరుడు వచ్చాడు. అక్కడున్న జనం అతన్ని తిడుతూ కోపంగా....“ఎందుకు మీరు ఈ కారుని ఇలా పాతి పెట్టి వృధా చేస్తున్నారు. మీ మరణానంతరం ఇది మీకు ఏ విధంగాను పనికిరాదు. దీన్ని వేరెవరికైనా ఇవ్వొచ్చు కదా ...? అని పదిమంది పదిరకాలుగా ప్రశ్నించారు.

## అవయవ దానం చేద్దాం...!

అప్పుడు కోటీశ్వరుడు చిరునవ్వుతో ఇలా సమాధానం ఇచ్చాడు. “ నా కారుని ఇలా సమాధి చేయడానికి నేనేమి అవివేకిని కాను. దీని ద్వారా నేను మీకు ఒక సందేశం ఇవ్వాలనుకున్నాను. ఈ కారు దర కేవలం ఐదు కోట్లు నేను దీన్ని పాతి పెట్టే నిర్ణయం తీసుకున్న నిర్ణయం తీసున్నందుకు ఇంత కోపం వచ్చింది. నిజమే! కానీ మీరు మాత్రం వెల కట్టలేని మనిషి గుండె, కళ్ళు, ఊపిరితిత్తులు, మూత్ర పిండాలు ఇలా శరీరంలోని ప్రతీ అవయవమూ వృధాగా మట్టిలో కలిసి పోతుంటే పట్టించుకోవడంలేదు. వాటి గురించి మీకు ఏమాత్రం చింత కాని ఆలోచన కానీ లేదు..... ఎందుకు? కారు పోయినా డబ్బు పోయినా తిరిగి వస్తుంది. మరి మట్టిలో కలిసి పోయిన అవయవాలు తిరిగి వస్తాయా? వాటికి విలువ కట్టగలమా? మరి మనం ఎందుకు మన మరణానంతరం వాటిని ఇతరులకు బహుమతిగా దానం చెయ్యలేము? కొన్ని లక్షల మంది ప్రజలు అవయవ దానం కోసం ఎదురుచూస్తున్నారు. మనం అంతా ఎందుకు వారికి సాయం చెయ్యకూడదు. ఆలోచించండి అవయవదానానికి నడుంబిగించండి. మీరందరూ అవయవ దానం ప్రాముఖ్యత గ్రహించడానికే నేను ఈ నాటకం ఆడాను” అని చెప్పాడు ఆ కోటీశ్వరుడు ఎంత అద్భుతమైన సందేశం కదా!

### కాటేషన్స్

1. నీ పెదాల మీద అతికించుకున్న చిరునవ్వును అందరూ చూసి నువ్వు ఆనందంగా ఉన్నావని అందరూ అనుకుంటున్న క్షణంలో నీ కళ్ళలోని బాధను పసిగట్టగల వాడే నిజమైన స్నేహితుడు.
2. జీవితమనేది మనం నడిచే దారిలాంటిది. మనకు తోడుగా నడిచేవారుంటారు. కానీ మనకు బదులుగా నడిచే వారుండరు.
3. కాళ్ళు తడవకుండా సముద్రాన్ని కళ్ళు తడవకుండా జీవితాన్ని దాటలేం.
4. ఆవకాసమనే తలుపు దానంతటదే తెరుచుకోదు ఆ తలుపును తట్టడం నీ బాధ్యత.
5. మనిషి బతకడానికి పెద్ద ఖర్చు ఏమీ కాదు. కానీ , ఎప్పుడైతే ఎదుటివారిగా బతకాలి అనుకుంటాడో అప్పుడే ఖర్చు మొదలవుతుంది.
6. మనసు అయస్కాతం లాంటిది. అది మంచినీ తలిస్తే మంచినీ, చెడును తలిస్తే చెడును ఆకర్షిస్తుంది.
7. ముళ్ల మధ్య ఉన్న గులాబీ గాయపడదు. అలాగే మనిషి ధైర్యాన్ని కోల్పోకూడదు.

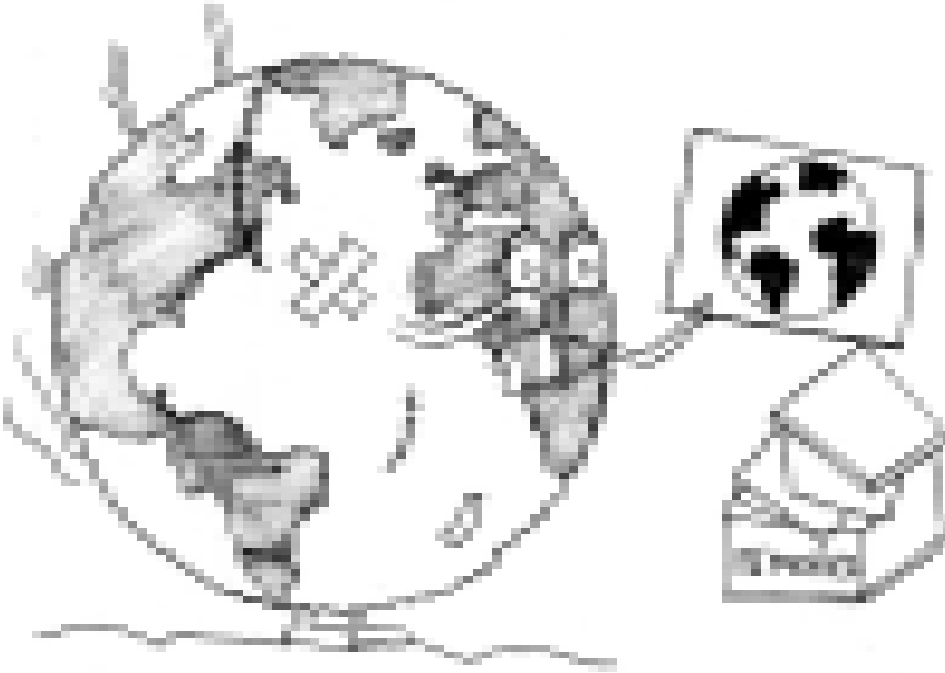

8. చిరు నవ్వుకు అర్థం సమస్యలూ బాధలూ లేకపోవడం కాదు. నమస్కల్ని ఎలా ఎదుర్కోవాలో, బాధల్ని ఎలా నిగ్రహించుకోవాలో తెలియడం.
9. ఒక్కోసారి మనకు అత్యంత ఆత్మీయులని నమ్మిన వాళ్ళే మనమీద బురద చల్లుతారు. మనకకు ఏమీకారు అనుకున్న వాళ్ళు మనపట్ల ఎంతో అభిమానం చూపుతారు మనం చేయని తప్పులకు కూడా మనం కుమిలిపోయేలా చేస్తారు. చేసిన తప్పులను విస్మరించి మనం సంతోషంగా

ఉండేలా చేస్తారు మరికొందరు. వాళ్ళ అవసరం మనకు ఉన్నప్పుడు మన ఖర్మానికి మనల్ని వదిలేసి వెళ్తారు కొందరు. మమ్మల్ని వదిలి వెళ్ళండని విసుక్కున్నా కష్టకాలంలో వెన్నంటే ఉంటారు ఇంకొందరు. ఈ ప్రపంచం రకరకాల వ్యక్తుల సమ్మిళితం ఎవరికి దగ్గరగా ఉండాలో, ఎవరికి దూరంగా వెళ్ళాలో నిర్ణయించుకోగలగడమే విజ్ఞత. ఆ విజ్ఞతను సముపార్జించుకోవడమే జీవితం

### QUOTES

Try to think of good things you can see in an individual before you talk about the bad of the individual with another person....

The negative talk about an individual is more trusted and absorbed by the people even if it is incorrect and false, because people are scared that they might have trusted the wrong person.. even such a person is trustworthy...

What we are, either good or bad, depends on how we think...how we think depends on how we see....how we see depends on how we are inside... ultimately things appear the way we see

## నేను నా కాలేజీని ప్రేమిస్తున్నాను

**జి.సౌందర్య**

ఎమ్.ఎస్.సి రెండవ సంవత్సరం

క్రైస్తవులకు చర్చలు, హిందువులకు ఆలయాలు, ముస్లింలకు మసీదులు ఎలాగో సమస్త విద్యార్థులకు కలాశాలలు అలాగే ఎంతో పవిత్రమైన స్థలాలు.

నా జీవితంలో నాకు ఒక మంచి నేస్తం ఉంది. దాన్ని నేను ప్రేమిస్తున్నాను. ఆ నేస్తం ఎవరో తెలుసా నా కళాశాల శ్రీ యజ్ఞమిల్లి నారాయణమూర్తి కళాశాల() నాకు సప్త వార్షికాలుగా (7 సం॥లుగా) నేస్తంగా ఉంటోంది.

నా నేస్తం నాలో ఉన్న భయాన్ని పోగొట్టింది. నువ్వు ఏమైనా చేయగలవని ప్రోత్సహించింది. నువ్వు ఎక్కడైనా నిలబడి మాట్లాడగలవని చేయూతనిచ్చింది. నాలో ఉన్న ప్రతీ ఆశకూ ఊపిరి పోసింది. నాలో ఉన్న రంగులను బయటకు తీసింది. నాకు ఎంతో గుర్తింపు నిచ్చింది. నాకు తెలియని అనేక విషయాలపై పట్టు సాధించేలా చేసింది. ఎందరో విద్యావేత్తలను నాకు పరిచయం చేసింది. నాకు ఎన్నో ఉత్తీర్ణతా పత్రాలను అందజేసింది. ఈ సప్త వార్షికాలు నన్ను భద్రపరుస్తూ, వృద్ధిలోకి తీసుకొస్తానని నా తల్లిదండ్రులకు భరోసా ఇచ్చింది. ఇన్ని చేసిన నా నేస్తం నాతో ఒక మాట చెప్పింది అదేమిటంటే.....

“ నీ నేస్తానైన నేను ఒక అందమైన పూల వనాన్ని నా వనంలో ఉన్న పూలన్నీ వికసించాలి. వాటియొక్క పరిమళం విశ్వం అంతా వ్యాపించాలి తద్వారా అందరూ నా తోటను ఎప్పుడూ కొనియాడాలని” కోరుకుంది.

కాని విచారించవలసిన విషయం ఏంటంటే నా నేస్తం చెప్పిన మాటలు అందరూ పాటించడం లేదు. ఆ వనంలోని కొన్ని పూవులు మాత్రమే పరిమళిస్తున్నాయి. ఒక మోసం గురించి నా నేస్తం ఎప్పుడు చెప్తుంది. ఈ రోజుల్లో ఎన్నో పూలవనం అని పేరు పెట్టుకొని మారు వేషంలో ఈ సమాజంలోకి వస్తున్నాయి. వాటిలో నాలో ఉన్న ఏ ప్రత్యేకతా ఉండదు. ఆ వనాల్లో విశాలమైన స్థలంకాని, మంచి ఆహ్లాదకరమైన

వాతావరణం కాని, మానవ వనరుల అభివృద్ధి కేంద్రం (H.R.D) కాని, సామాన్యుల ఆర్థిక పరిస్థితులపై అవగాహన గాని, విద్యార్థుల మానసిక పరిస్థితిని అర్థంచేసుకోవడం కాని, విస్తృతమైన జ్ఞానమును సముపార్జించే విధానం కాని ఉండవు. ఆ మారువేషం వేసుకున్న నేస్తాలను సమ్ముకున్న వారు నీతో స్నేహం చేయరు. వ్యాపారం చేస్తారు.

“ఖాళీ జేబులో డబ్బు నింపుకోవడానికి ఎవరైనా ప్రయత్నిస్తారు. నేను మాత్రం నాలో మంచిని నింపుకోవటానికి ప్రయత్నిస్తాను.”- శ్రీ.వై.యస్.కాలేజ్

నా నేస్తం ఎలాంటిదో మీకు అర్థం అయ్యే ఉంటుంది. సప్త వార్షికాలుగా నేను నా నేస్తంతో స్నేహం చేస్తున్నాను. ఇప్పుడు ఉన్నట్టుండి నా నేస్తాన్ని వదిలి వెళ్ళాలంటే బాధగా ఉంది. అచ్చంగా ఆడపిల్ల పుట్టింటి నుండి మెట్టినింటికి వెళ్ళాలంటే ఎంత బాదపడుతుందో అలాగే ఉంది నా పరిస్థితి. ఎందరో తోటమాలలు ఉన్న నా నేస్తం అనే వనంలో నేను కూడా ఒక తోటమాలిగా ఉండి (అధ్యాపకురాలిగా) ఆ వనం ఋణం తీర్చుకోవాలనుకుంటున్నాను.

**నిన్న గడిచిపోయింది... నిన్న చేసిన పనుల నుండి నేడు పుట్టింది.**

**నిన్న చేసిన పనులు ఈ రోజును సృష్టించాయి.**

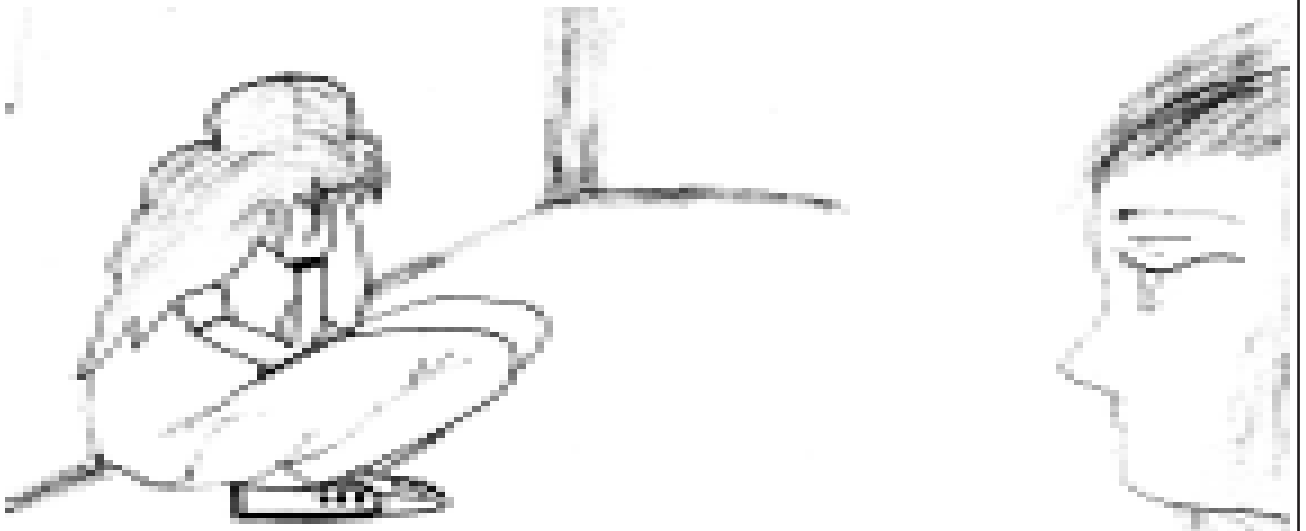

**ఈ రోజు చేసే పనులే రేపటిని సృష్టిస్తాయి.**

**ఇది మరువకు .....నేటిని విడువకు.**

నేను నానేస్తాన్ని ఎందుకు అంతగా ప్రేమిస్తున్నాను అంటే రేపు నా భవిష్యత్తులో ఎంత ఉన్నత స్థితికి చేరుకున్నా దానికి కారణం నా నేస్తమే అవుతుంది. నేను ప్రపంచంలో నా నేస్తం గురించి చెప్తాను. ఏమీ ఆశించకుండా నా నేస్తం నాకు ఎన్నో చేసింది. నేనుకూడా నా నేస్తానికి భవిష్యత్తులో ఏదో ఒకటి చేస్తాను.

అందరూ చిరంజీవి ఈ కాలేజ్ లో చదివాడు అంటారు. నేనేమంటాను అంటే ఈ వై.యస్ కాలేజ్ లో చదవడం వల్లే చిరంజీవి ఆ స్థితిలో ఉన్నాడు అని.

I LOVE MY SRI Y.N. COLLEGE

భారత దేశం నా మాతృభూమి భారతీయులందరూ నా సహోదరులు అన్నమాటకి అర్థమే తెలియదు లోకానికి.

**ఆడదిగా పుట్టిన పాపానికి రక్షణేది జాతికి.**

అడుగు బయట పెడితే చాలు అడుగడుగునా ఒడిదుడుకులే స్త్రీలకి. ఆడదంటే విలువలేదా ఈ సమాజానికి ఆడదంటే అమృతనమని గురుతురాదా ఈ మగాళ్ళకి.

గౌరవం పేరుతో గడపడాటనివ్వకుండా మాకు అడ్డు కట్టను వేస్తారు. మరి ఆకతాయిల అదుపు ఎక్కడ తెచ్చారు.

ఆడదంటే అలుసు కదా మీ మగ జాతికి. తన విలువ తెలుస్తుంది అమ్మలేని వారికి.

ఆడదాని ఆత్మ గౌరవం మీద మచ్చపడిన నాడు ఆదిశక్తిలా మారుతుందని తెలియజెయ్యాలి సమాజానికి.

అదుపులేని గొడ్డులా, ఆనకట్ట లేని నీరులా, మగ అనే మృగం ఎగసి పడుతుంటే అడ్డు చెప్పేవారు ఎవరూ లేరా వీళ్ళకి.

ఆడదంటే ఆటబొమ్మకాదని గురుతుచేయాలి వీళ్ళకి.

ఇంటికి దీపం ఇల్లాలు అని మంచి మాటే చెప్పారు కానీ మాకు ఆ విలువ ఎక్కడ ఉంచారు.

ఆడదాన్నని రూపాన్నిరాణి లక్ష్మీభాయి ఒక ఇల్లాలు లా ఒక ఆడదిలా కూర్చుంటే ఆరోజు తన సంతానాన్ని నడుముకు కట్టుకొని అంతమందిని మట్టు పెట్టేదా!

ఆడదాన్నని మదర్ థెరిస్సా తన సేవాతత్వాన్ని

అంతటితో ఆపేద్దాం అనుకుంటే ఏ బంధంలేని వారికి సేవ చేసి అంతమందితో అమ్మ అనిపించుకునేదా!

ఇప్పటికైనా మారి ప్రతీ ఆడదానిలో ఆడది అనేది మాత్రమే కాదు ఆడదంటే అమ్మ అని కూడ గుర్తుపెట్టుకొని ప్రవర్తించండి.

**ఆడదానికి విలువ ఇద్దాం!**

**ఆడదానిలో అమృతనాన్ని గుర్తిద్దాం!**

**ఆడదంటే ఇంటికే కాదు లోకానికి కూడా!**

**వెలుగు అని చాటి చెబుదాం!**

**ఆడదానిగా పుట్టినందుకు సిగ్గుపడేలా కాదు గర్వపడేలా చేద్దాం!**

మన దేశంలో సంపద లేని నాడు కాదు మనదేశం పేదది అవటం. ఆడదానికి విలువ లేనినాడు మన దేశంలో ఎంత సంపద ఉన్నా మన దేశం ఎప్పటికీ పేదదే!

### నవ సమాజంలో విద్యార్థుల పాత్ర

**టి.జగదీశ్వరి**

బి.కాం మొదటి సంవత్సరం

విద్య అంటే జ్ఞానం. విద్యను ఆర్జించేవారు విద్యార్థులు. విద్యార్థులు విద్యతో బాటు వినయ విధేయతలు, క్రమశిక్షణ, శీలము, ఆత్మ విశ్వాసము, స్వయం పోషకత్వములను అలవరచుకుంటారు. ఈనాటి విద్యార్థులే రేపటి పౌరులు. విద్యార్థి తాను నివసిస్తున్న ప్రదేశం, జిల్లా, రాష్ట్రం, దేశం, ప్రపంచం ఎలా ఉన్నాయి? ఎటువైపు పయనిస్తున్నాయి అన్నవిషయం పాఠశాలల్లో ఉపాధ్యాయులు బోధిస్తే విని, చదివి నేర్చుకోవలసిన అవసరం వుంది. భాషలు, సాంఘిక విషయాలు, వివిధ శాస్త్రాలు నేర్చుకొని విజ్ఞానాన్ని ఆర్జించుకోవాలి. భవిష్యజీవితానికి పునాది వేసుకోవాలి. భౌతిక ప్రపంచం ఆధ్యాత్మిక తత్వం, ఉన్నతాశయాలు, ఉత్తమ లక్ష్యాలు, సచ్చీలం క్రమశిక్షణ అలవరచుకోవడం విద్యార్థి లక్ష్యాలు. వీటివల్ల ఉత్తమ పౌరుడై సమాజంలో తన బాధ్యతల్ని నిర్వర్తించడం ప్రధానాశయాలుగా విద్యార్థులు కష్టపడి చదువు పూర్తి చేసుకోవాలి. విద్యార్థులే భావి కాలంలో ఇంజనీర్లు, ఉపాధ్యాయులు, శాస్త్రవేత్తలు, పారిశ్రామికవేత్తలు, రాజకీయనాయకులుగా అనేక రంగాల్లో ప్రవేశించి మన సమాజాన్ని సరియైన దారిలో నడిపించ వలసిన వారు. అటువంటి విద్యార్థులు దేశానికి వెన్నెముక వంటివారు. మన భారత ప్రభుత్వం విద్యార్థుల్ని సంఘ సేవా కార్యక్రమంలో పాలుపంచుకునేటట్లు ప్రోత్సహించడానికి జాతీయ సేవా కార్యక్రమాన్ని ప్రారంభించింది. విద్యార్థులు సంఘసేవ చేయడం వలన పరోపకారగుణం అలవడి త్యాగాన్ని పెంపొందించుకుంటున్నారు. ఆత్మ విశ్వాసాన్ని, మానసిక స్థైర్యాన్ని పొందగలుగుతున్నారు. విద్యాలయాల్లో బోధించే పాఠ్యప్రణాళికతో బాటుగా సాంఘిక సేవ కార్యక్రమాన్ని

ఆచరణాత్మక విద్యగా ప్రవేశ పెట్టి కొన్ని మార్కులు కలిపితే విద్యార్థులు మరింత పురోగమిస్తారు.

ఏ సమాజంలోనైనా ఉద్యమాలు నిర్వహించి, విప్లవాలు రేపి, జాతిని జాగృతం చేసేది విద్యార్థులే. అందుచేత నవ సమాజ నిర్మాణంలో విద్యార్థుల పాత్ర అనివార్యం. యువ శక్తి అపారం. దానిని సరియైన దారిలో మళ్ళించి సద్వినియోగం చేసినట్లయితే మన సమాజం అభివృద్ధి చెందుతుంది. లేకపోతే యువత పెడమార్గం తొక్కి అరాచకం సృష్టించి దేశాన్ని అల్లకల్లోలం చేస్తుంది. ప్రతీ విద్యార్థి సుశిక్షణ పొందిన సైనికుడు కావాలి. N.C.C మరియు N.S.S మొదలైన వాటిలో చేరి సమాజ సేవ చేయటానికి ప్రయత్నించాలి. ప్రస్తుతం మన సమాజం అనేక సమస్యలలో వలయంలో చిక్కుకుని ఉంది. ఇట్టి విషమ పరిస్థితులలో విద్యార్థులు నడుంబిగించి తమ వంతు కర్తవ్యాన్ని నిర్వహించాలి. సమస్యల పరిష్కారానికై ప్రభుత్వంతో సహకరించాలి

## తల్లిదండ్రుల గొప్పతనం

**కె.రేవతి**

ఎమ్.ఎస్.సి రెండవ సంవత్సరం

“తల్లిదండ్రుల గొప్పతనాన్ని” మాటల్లో చెప్పలేను. నిన్ను బయటకు తీసుకురావడానికి అమ్మ ప్రసవ వేదన పడితే నాన్న మానసికంగా నరకయాతన పడతాడు. ప్రసవం అప్పుడు అమ్మ నీ ఒక్కడి గురించే ఆలోచిస్తే నాన్న మీ ఇద్దరి గురించీ ఆవేదన పడతాడు. నువ్వు ఎదగడానికి అమ్మసాలిస్తే, నిన్ను అందనంత ఎత్తుఎక్కించాలని నాన్న చెమట చిందిస్తాడు. అమ్మ నీకు చందమామని చూపించి అన్నం తినిపించేటప్పుడు, నువ్వు చందమామని అడిగితే ఎలా తేవాలా అని నాన్న ఆలోచిస్తాడు. దెబ్బతగిలి నువ్వు అమ్మా అంటే అమ్మబదులు నాన్న నీకు కట్టుకడతాడు. నువ్వు ఏం చేసినా అందమే అన్నట్లు అమ్మ నవ్వితే, మరీ గారాబం చేస్తే ఏమైపోతావో అని నాన్న కోపం నటిస్తాడు. నువ్వు సమస్యల్లో పడ్డావని అమ్మ కంగారు పడితే నాన్న ఆ కంగారుని అణచుకొని నీకు ధైర్యం నూరిపోస్తాడు. విదేశాల్లో ఉ ద్యోగమా? అని అమ్మ అమాయకంగా కంగారు పడితే ఏంకాదు అని నాన్న ధైర్యం చెబుతాడు. నువ్వు విదేశాల నుండి రాకపోయే సరికీ అమ్మ వెక్కివెక్కి ఏడుస్తూ ఉంటే, ఛ....వాడు అంత ఎత్తుకు ఎదిగితే ఏడుస్తావేంటి అని నాన్న అమ్మను సముదాయించి తనకు తాను సర్దిచెప్పుకుంటాడు. అమ్మ నీకు ప్రేమను పంచితే నాన్న ప్రేమతో పాటు ఆస్తిని పంచుతాడు.

కష్టాలు తెలియకుండా అపురూపంగా పెంచి, గెలిచినపుడు ఆనందంతో గర్వంగా అందరికీ చెప్పి, ఓడిపోయినపుడు గెలుస్తావులే అని వెన్నుతట్టి ధైర్యం చెప్పి, బాధ కలిగినపుడు ప్రేమతో దగ్గరకు హత్తుకొనే వ్యక్తి “మన నాన్న”.

మనలో జీవాన్ని నింపి, అల్లారుముద్దుగా పెంచి, మనలో లోపాలను నరిచేస్తూ, మన భవిష్యత్తుకు పునాదులు వేస్తూ, మనకు గమ్యం చూపేది నాన్న అనురాగానికి రూపం నాన్న.

నాన్న ఉదయం నుండి సాయంత్రం వరకు కష్టపడి చదివిస్తారు. మనతో గడపాలని ఉన్నా నాన్నకు సమయం ఉండదు. కాని ప్రేమ మాత్రం చాలా ఉంటుంది మనపై నాన్నకు. అందుకే మనం జీవితాంతం తల్లిదండ్రులను మరిచిపోకూడదు.

మాతృహృదయం మనకు జీవితాన్ని ప్రసాదిస్తే, నాన్న మనకు రక్షణ కవచం అయ్యి, ముందుకు నిన్ను నడిపిస్తూ బృందావనం లాంటి కుటుంబాన్ని నడిపిస్తాడు.

అమ్మ నవమాసాలు మోసి నిన్ను కంటే నాన్న అమ్మను, మనల్ని తన గుండెలపై మోసేవాడు

అమ్మ-నాన్న వాళ్ళిద్దరూ మనల్ని ఒకేలా చూస్తారు. కాని అమ్మ మనపై ఉన్న ప్రేమను దాచుకోలేదు. నాన్న అయితే ప్రేమను కనబడనివ్వడు. “కాని వాళ్ళిద్దరి ప్రతిరూపమే మనము”. అందుకే మన తల్లిదండ్రులకు ఏమిచేసినా వాళ్ళ ఋణము తీర్చుకోలేము.

**జీవితం**

## నీకు కూడా వృద్ధాప్యం తప్పదు

వి.జె.యమ్. భార్గవి, 2 బి.ఎ (లిట్)

ఒక ఊరిలో రంగయ్య సీతమ్మ అనే దంపతులు ఉండేవారు. వారికి ఒక కుమారుడు అతనిని బాగాచదివించారు. కొంతకాలం తరువాత అతనికి మంచి ఉద్యోగం వచ్చింది. వివాహం కూడా జరిగింది. కుమారుడు కూడా పుట్టాడు. వాడి పేరు చిన్నా వీడు కూడా పెరిగి పెద్దవాడయ్యాడు. 5వ తరగతి చదువుతున్నాడు. వీరు పట్నంలో ఉంటారు కానీ రంగయ్య సాతమ్మలు మాత్రం గ్రామంలో ఉండేవారు.

కాలక్రమేణా రంగయ్య, సీతమ్మలకు వయస్సు పెరిగి వృద్ధాప్యం వచ్చింది. వారు ఏపని చేయలేక పోతున్నారు. చేతులు వణుకుతూ, చూపులు మందగించి అడుగులు కూడా వెయ్యలేని పరిస్థితిలో ఉన్నారు. తన కొడుకు కోడలి దగ్గరకు వెళ్లాలని నిశ్చయించుకున్నారు. వారు అనుకున్నవిధంగా వారి దగ్గరకు వెళ్ళారు.

భోజనం చేసే సమయం అయ్యింది. వారందరూ కలిసి భోజనం చేస్తున్న సమయంలో రంగయ్య, సీతమ్మలు వణుకుతూ తినడం వల్ల కొంత కింద, బట్టల మీద పడింది. అది చూసిట వారి కొడుకు, కోడలు వారి ప్రవర్తనకు అసహ్యించుకున్నారు. అది చూసిన వారి కొడుకు చిన్నా తాతయ్య, నానమ్మల దగ్గరకు వెళుతుంటే వెళ్ళకు అని తల్లి మందలించింది.

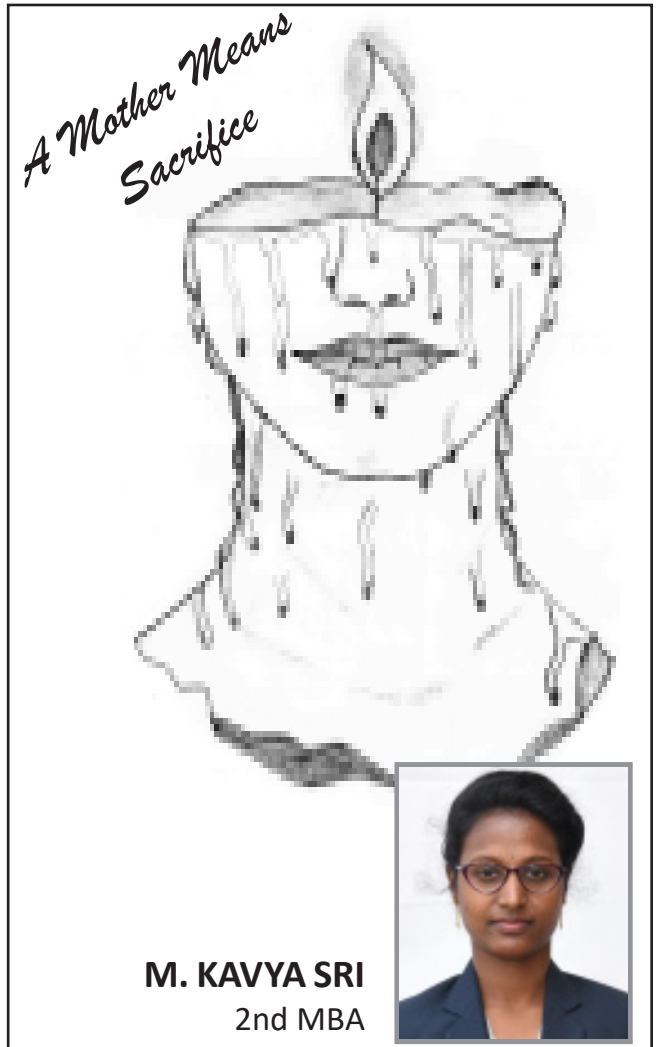

మరుసటి రోజు నుండి రంగయ్య, సీతమ్మలను ఒక మూలను కూర్చోపెట్టి పాలు, భోజనం పెట్టేవారు అది చూసి చిన్నా చాలా బాధ పడేవాడు.

ఒకరోజు అందరూ డైనింగ్ టేబుల్ దగ్గర కూర్చొని తింటున్నారు. రంగయ్య, సీతమ్మలకు మాత్రం వారు తినగా మిగిలిన పదార్థాలు పెట్టేవారు. చిన్నా వారిని అలానే చూస్తూ ఉన్నాడు. అప్పుడు చిన్నా వాళ్ళ అమ్మ చూసి ఎందుకు వాళ్ళని అలా చూస్తున్నావు వాళ్ళదగ్గరకు వెళ్ళాలని ప్రయత్నించకు అని కోపంగా హెచ్చరించింది. ఏమీ లేదు అమ్మా నేను కూడా మిమ్మల్ని పెద్దయ్యాక ఇలానే చూసుకోవాలి కదా అందుకే చూస్తున్నా అన్నాడు చిన్నా. అప్పుడు వాళ్ళ అమ్మ సిగ్గుతో

తలదించుకొని వాళ్ళు చేసిన తప్పును తెలుసుకున్నారు.

అప్పటినుండి వారు కలిసి భోజనం చేసేవారు, వారే స్వయంగా తినిపించేవారు. రంగయ్య సీతమ్మలు కూడా ఎంతో హాయిగా ఉండేవారు. చిన్నాకూడ వాళ్ళ తాతయ్య నానమ్మలతో ఆనందంగా ఉండేవాడు.

నీతి : వృద్ధాప్యం ఎవరికీ తప్పదు. వృద్ధాప్యం అనేది చిన్న పిల్లలాంటిది. వారిని మనం ఎలా జాగ్రత్తగా చూసుకుంటామో వృద్ధులను కూడా అలానే చూసుకోవాలి

## నేర్పు

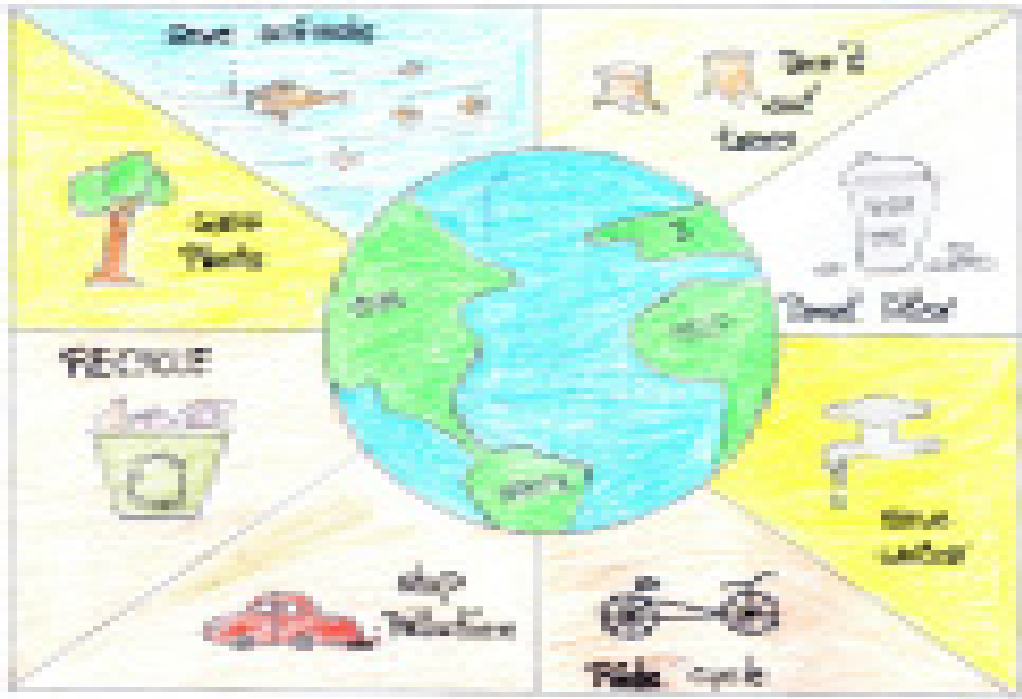

విలువలు తల్లి నుంచి నేర్చుకో నీ జీవితం ఎంతో విలువైనది కనుక ఆత్మ విశ్వాసాన్ని తండ్రి నుంచి నేర్చుకో క్రింద పడినా లేవడం నేర్పాడు కనుక, పట్టుదలని సైనికుని నుంచి నేర్చుకో చావుకళ్ళెదుట ఉన్నా ఊపిరికి ఊపిరిని అల్లుకుంటూ దేశం కోసం ముందడుగు వేస్తాడు కనుక, సహనాన్ని భూమాత నుండి నేర్చుకో ఎన్నితప్పులు చేసినా బ్రతికినంతకాలం తన ఒడిలో, చనిపోయాక తన కడుపులో దాచుకుంటుంది కనుక, కానీ తప్పులు సరిదిద్దుకోవడం నీ నుంచీ నువ్వే నేర్చుకో ఎందుకంటే నిన్ను నిన్నుగా ఎరిగిన వాడివి నువ్వే కనుక.

## జీవిత సత్యాలు

నా జీవితంలో నన్నెంతగానో ప్రేమించేది నా కన్నీరు.  
 ఎందుకంటే నా కష్టాల్లో తోడుండేది నా కన్నీరే.  
 నాకు ప్రియమైన నేస్తం అద్దం  
 ఎందుకంటే నేనేప్పుడు ఏడ్చినా అది నన్ను చూచి నవ్వుదు కనుక  
 నాకు తగిలిన ఎదురుదెబ్బే నా తియ్యని జ్ఞాపకం  
 ఎందుకంటే ఆ అనుభవమే నన్ను జాగ్రత్తగా నడిచేలా చేస్తుంది కనుక  
 నా జీవితమనే ఇంటికి నా ప్రియమైన అతిథి నా ఓటమి  
 ఎందుకంటే గెలుపు ద్వారంవైపు నన్ను నడిపించేది నా ఓటమే కనుక.  
 నా జీవితంలో అనుక్షణం నావెన్నంటి ఉండేది నా శత్రువులే  
 ఎందుకంటే అనుక్షణం నన్ను కనిపెట్టుకుని ఉండేది నా శత్రువులే కనుక.
