Spread that light this Diwali (Display Board Activity and Skit on the Occasion of Diwali)

Students presented a short skit on Diwali. The skit has a message to encourage poor street vendors. This skit tells how a sensitive, mature middle school student, Deepak's sympathy and innovativeness anonymously helped a disappointed, dejected street vendor of 'diyas', Lakshmi, get her hand made 'diyas' sold on Diwali eve. Students involved very well in those characters and made the show stupendous. The entire play was presented in English. The spectators gave an overwhelming response.
