

Trees of Skills

17/02/2020

“Trees of Skills” (Outdoor Activity)

This activity is designed to unconsciously create an awareness on simple Grammar Topics. Students were divided into groups and given a grammar topic, for example, Articles, Parts of Speech, Tenses. Each group was allotted a tree to decorate with a given topic. The tree with the best (grammatical skills) decoration was awarded a rolling trophy of the college. Students decorated trees beautifully.
