**REPORT**

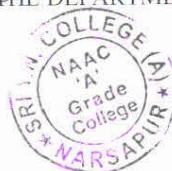

III B. Sc. Zoology & Aquaculture students visited SIR C R REDDY COLLEGE (A), ELURU on 25-11-2021.

The purpose of the visit is to improve teaching capabilities, receiving and learning attitude and communication skills among the students, which will provide both theoretical & practical experience. This trip also provided an opportunity to learn many things and to develop student's knowledge for future.

In this connection we visited the Zoology Museum, Botany Museum, Botany Garden with excellent Medicinal Plants, Fish Aquarium and different Virtual Class Rooms and labs as a part and parcel of our academic curriculum. In this field trip we gained tremendous experience and good knowledge regarding the aspects on Zoology and Fish Culture. This visit develops confidence and boosts them for doing well in their further educational scenario. We also visited library, Gymnasium, and Playground. The host college conducted classes for our students and they arranged special classes and Guest Lecture on Animal Biotechnology, Trends Animal Husbandry and their Economic importance. This is a great opportunity to the students as well as faculty too. Our faculty engaged the host college students with a potential teaching and lecture. This is a mutual cooperated programme between SRI Y N COLLEGE (AUTONOMOUS), NARSAPUR and SIR C R REDDY AUTONOMOUS COLLEGE, ELURU.
