ELURU

beneficial. The areas of cooperation may include, curriculum design, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Faculty and student exchanges based on reciprocity
- Joint conferences, workshops, FDPs, Webinars (National and International) and training programmes
- Team taught courses, invited talks including online courses
- Curriculum Design and Revision; and
- Inter Institute Student and Faculty Visits.

The parties anticipate that a number of these initiatives will occur during the period of this collaboration. However, neither party is obliged to agree any minimum number of activities, nor is this collaboration intended to preclude either party from entering into similar agreements with other institutions.

This letter of collaboration shall be identified as the parent document for any programme agreement executed between the parties. Further, agreements concerning any programme shall provide details concerning the specific commitments made by each party and shall not become effective until they have been reduced to writing, executed by the duly authorized representatives of the parties.

For agreed upon activities, both institutions will make available their facilities and staff. This collaboration will take effect on and will be valid for **three (3) years** from the date noted in the first line of this document unless terminated by one of the parties. Either party may withdraw from this agreement provided written notification of the withdrawal is given to the other party atleast three months prior to the desired with withdrawal date. This collaboration may be renewed for another period of **three (3) years** upon mutual written consent of the parties before the expiry date. Each institution will have copies of this agreement.
