

Department of Electronics

Sri Y N College(Autonomous) – Narsapur

Departmental Activities during the Academic Year 2019-20

S.No.	Date	Nature of Activity	Details of Activity
1	06-07-2019	Board of Studies Meeting	The department conducted a Board of Studies meeting with industry experts, academicians, and subject matter experts to discuss the curriculum and make necessary changes to keep it up-to-date with the latest industry trends and technological advancements.
2	04-10-2019	Seminar on Nanoelectronics- Current & Future Trends	The Department of Electronics & Aanvik- The Electronics Society jointly organised a Seminar on Nanoelectronics - Current & Future Trends. The Seminar aimed to provide participants with an understanding of the latest trends in Nanoelectronics and its potential impact on the future of technology. Dr. K Pratap, Assistant Professor at the Centre for Advanced Studies in Electronics Science & Technology(CASEST), University of Hyderabad, was the guest speaker at the Seminar
3	18-12-2019	One Day National Workshop on Internet Of Things & Its Applications	Department of Electronics organised One Day National workshop on Internet of Things (IoT) & its Applications under MHRD-RUSA

			2.0 Scheme, which culminated successfully. Nearly 160 persons both faculty and students from various colleges have participated in the workshop. The workshop was focused on the key concepts related to the Internet of Things.
4	23-12-2019	Industrial Visit for Students	Industrial visit was organised for B.Sc. Electronics (MPE & MECS) Students at Cyclone Warning Centre, Visakhapatnam, India Meteorological Department. The visit was conducted in one batch with 30 students. Students had ample queries which were patiently answered. To sum it up the visit was a success in terms of student learning and practical training.
5	08-01-2020	Alumni Interaction with current Students	The department organised an alumni interaction session where alumni who are successful in their careers shared their experiences and insights with current students. The interaction session helped students to gain valuable insights into the industry and to network with alumni for potential career opportunities.
6	20-02-2020	Students' Seminar Competition	Department of Electronics organised Seminar Competition on Internet of Things (IoT) for B.Sc. Electronics Students. Dr. Ch Kanaka Rao, HoD of Electronics was the judge for this competition and gave valuable suggestions regarding their presentations.

7	06-03-2020	Quiz Competition	Department of Electronics organised a Quiz Competition at E-Class Room. The theme for the Quiz Competition was IoT Cyber Security.
8	11-05-2020	Group Discussion Competition	Department of Electronics organised Online Group Discussion Competition for the B.Sc. Electronics Students on the Topic “Electric Vehicles in India” Technology. The aim of this group discussion competition was to enhance the learning in both effective and cognitive domains.
9	15-05-2020	Student Feedback on Teaching-Learning Process	The department collected feedback from students through online on the teaching-learning process. The feedback was used to identify areas for improvement and to enhance the teaching-learning experience for students.
