(B) Action Taken Report

Based on the student suggestions and feedback received, Sri Y N College has taken a number of actions to enhance the teaching-learning experience and support student success.

1. Suggestion: Enhance security measures on campus to ensure the safety of students.

Action Taken: College has increased the number of security personnel on campus, and has also installed security cameras.

2. Suggestion: Provide more resources and support for students to prepare for their careers.

Action Taken: HRD Centre to assist students in finding internships and job opportunities. The Centre also provides workshops and resources for students to develop their professional skills and network with employers.

3. Suggestion: Some faculty members may rely solely on traditional lecturing methods, which can be monotonous for students.

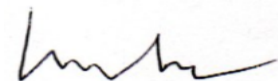

Action Taken: The IQAC has encouraged faculty members to adopt a variety of teaching methods such as interactive discussions, case studies, and problem-based learning to make their classes more engaging and interactive. The college has also provided resources and support for faculty members who are interested in exploring new teaching methods.

4. Suggestion: Offer more financial aid and scholarships for students who need it.

Action Taken: College has increased the availability of financial aid and scholarships.

5. Suggestion: Enough support from faculty members outside of class hours.

Action Taken: The IQAC has encouraged faculty members to be more accessible to students. The College has also created resources for students to connect with faculty members outside of class.
