SRI Y N COLLEGE (AUTONOMOUS)
Thrice Accredited by NAAC at 'A' Grade
"A College with Potential for Excellence" by UGC
Narsapur-534275, W.G. Dist., A.P.

ABOUT THE COLLEGE:

Narsapur, a small semi - urban coastal town is situated on the banks of sacred river Vasishta Godavari in West Godavari District of Andhra Pradesh. Sri Yerramilli Narayana Murthy College, Narsapur was established in the year 1949 with the noble cause of serving people in the field of higher education. It is one of the oldest colleges in West Godavari District and has a prestigious history. It attained the status of a full-fledged Degree college in 1956 and has been elevated to Post Graduate level in the year 1989-90. With the untiring efforts of our present **Secretary & Correspondent Dr.C.Satyanarayana Rao**, our college flourished with overall progress. The College celebrated Diamond Jubilee in 2010.

Our College has been accredited by NAAC Thrice at "A" grade. Our College has been selected for the award of "College with Potential for Excellence" sponsored by UGC.

Since its inception, our college has been developing progressively with excellent and impressive infrastructure such as Administrative Block, Physical Sciences Block, Biological Sciences Block, MBA Block, MCA Block and Separate Library Buildings & Computer Labs for UG and PG; well equipped Science Laboratories, Language Labs and Commerce Lab for the overall development of our students. Gandhian Studies Centre sponsored by UGC, Women Empowerment Cell, Jawahar Knowledge Centre(JKC), HRD Centre, Yoga & Health Centre, Two E-Class Rooms, PG Seminar Hall, Two Solar supported decent women's hostels, a spacious Play Ground, Indoor Stadium, Multi Gym and Auditorium. With the valuable support, guidance and assistance rendered by Adikavi Nannayya University, UGC, AICTE, Commissioner of Collegiate Education

(CCE) and other educational authorities, the college evolved as a premier institute of Higher Education.

The College is offering 5 PG courses - MBA, MCA, M.Sc(Organic Chemistry), M.Sc(Mathematics) & M.A(English), 17 UG courses, 7 Intermediate Courses, B.Ed and D.Ed. The present student strength of the college is about 3100.

ABOUT THE DEPARTMENT:

Introduction: The course of MCA in Dr. C.S.Rao P.G.Centre, Sri Y.N.college was introduced in the year 1992-93. It began as part of the P.G.Courses under headship of Dr.N.Chinta Rao, Director. This course was inauguarated by Dr. Allam Appa Rao, former Vice Chancellor, JNTU-K. At inauguration time, he was Head of Department, Dept of C.S.E, Andhra University.

HIGHLIGHTS OF THE DEPARTMENT:

The Faculty members are highly qualified with 5 M.Techs. Faculty members have actively participated in workshops / seminars and presented number of papers in Natinal and International Journals. All the staff members are actively connected with academic extension and extracurricular activities. The department members are nominated in various committees drafted by the Secretary & Correspondent and Principal.

INFRASTRUCTURE:

The Department of MCA is having well established laboratory facilities with broad band internet connection of 70 Mbps speed and staff room. The department consists of Three Laboratories consists of 54 systems to conduct practical classes.

Computer Lab-1 consists of 10 Systems having configuration RAM: 4GB, HDD: 1TB, Processor: core i3 -8100(3.60 GHZ). Also consists of 13 Systems having configuration RAM: 2GB, HDD: 300GB, Processor: Core2 Duo(2.33GHZ)

Computer Lab-2 & 3 consists of 31 Systems having RAM: 2GB, HDD: 500GB, Processor: Core2 Duo(2.93GHz).

OBJECTIVES:

Technologies such as Block chain Technology, Big Data Analytics, Cloud Computing and Python present significant opportunities for people, business and the broader economy.

BLOCK CHAIN TECHNOLOGY:

It is a digital platform that records, verifies and stores transactions shared across a network of computers according to an agreed set of rules. This removes the need for verification by a central authority, such as a bank. It can be applied across a wide range of industries and to almost any transaction that involves a value.

BIG DATA ANALYTICS:

Big Data is high volume, velocity and variety of information assets that demand cost-effective, innovative forms of information processing for enhanced insight and decision making.

CLOUD COMPUTING:

The Cloud environment, building software systems and components that scale to millions of users in modern internet, cloud concepts capabilities across the various cloud service models including IaaS, PaaS, SaaS and developing cloud based software applications on top of cloud platforms.

ABOUT THE COLLEGE

Narsapur, a small semi - urban coastal town is situated on the banks of sacred river Vasishta Godavari in West Godavari District of Andhra Pradesh. Sri Yerramilli Narayana Murthy College, Narsapur was established in the year 1949 with the noble cause of serving people in the field of higher education. It is one of the oldest colleges in West Godavari District and has a prestigious history. It attained the status of a full- fledged Degree college in 1956 and has been elevated to Post Graduate level in the year 1989-90. With the untiring efforts of our present Secretary & Correspondent Dr.C.Satyanarayana Rao, our college flourished with overall progress. The College celebrated Diamond Jubilee in 2010.

Our College has been accredited by NAAC Thrice at "A" grade. Our College has been selected for the award of "College with Potential for Excellence" sponsored by UGC.

Since its inception, our college has been developing progressively with excellent and impressive infrastructure such as Administrative Block, Physical Sciences Block, Biological Sciences Block, MBA Block, MCA Block and Separate Library Buildings & Computer Labs for UG and PG; well equipped Science Laboratories, Language Labs and Commerce Lab for the overall development of our students. Gandhian Studies Centre sponsored by UGC, Women Empowerment Cell, Jawahar Knowledge Centre(JKC), HRD Centre, Yoga & Health Centre, Two E-Class Rooms, PG Seminar Hall, Two Solar supported decent women's hostels, a spacious Play Ground, Indoor Stadium, Multi Gym and Auditorium. With the valuable support, guidance and assistance rendered by Adikavi Nannayya University, UGC, AICTE, Commissioner of Collegiate Education.

(CCE) and other educational authorities, the college evolved as a premier institute of Higher Education.

The College is offering 5 PG courses - MBA, MCA, M.Sc (Organic chemistry), M.Sc (Mathematics) & M.A(English), 17 UG courses, 7 Intermediate Courses, B.Ed and D.Ed. The present student strength of the college is about 3100.

OBJECTIVES

Technologies such as Cyber Security, Big Data Analytics present significant opportunities for people, business and the broader economy.

CYBER SECURITY

Cyber Security refers to the body of technologies, processes and practices designed to protect networks, devices, programs and data from attack, damage or unauthorized access. The scope of Cyber Security expands to the security of IT systems within the enterprise as well as to the broad digital networks upon which they rely including cyber space itself and critical infrastructures.

Cyber Security has imperative role in the development of information technology as well as Internet services. The following are the fewer threats to Cyber Security, which are Ransom ware, Phising, Social engineering and malware etc.

BIG DATA ANALYTICS

Big Data is high volume, velocity and variety of information assets that demand cost-effective, innovative forms of information processing for enhanced insight and decision making. Big data analytics is used to discover hidden patterns, market trends and consumer preferences for the benefit of organizational decision making.
