

Department of Electronics **Sri Y N College(Autonomous) – Narsapur**

Seminar on Recent Developments in the Field of **Electronics(RDFE-2022) held on 03-08-2022**

Commemorating the 75th anniversary of the invention of transistor, Sri Y N College Department of Electronics organised a Seminar on “Recent Developments in the Field of Electronics” on 3rd August, 2022, in collaboration with Aanvik Electronics Society, which concluded successfully. Dr. K Venkateswarlu, Fellow of The Institution of Electronics and Telecommunication Engineers, New Delhi, was the Chief Guest for the Seminar. He said that contemporary advancements in the field of electronics have a remarkable impact on all aspects of the world, elaborating on topics such as the Internet of Things, Ambient Intelligence, 5G technology, and Electric Vehicle Technology. He said that 5G Technology will enable futuristic services like fast connectivity, e-health, connected vehicles & traffic systems and advanced mobile cloud gaming. Students from different fields attended. Principal Dr. A P V Apparao, Head of Electronics Department Dr. Ch Kanaka Rao, Electronics Lecturer K. Vinaya Phaneendhra, Physics Lecturer Mr. P Ramakrishna participated in this seminar.

Dr. K Venkateswarlu, Fellow of The Institution of Electronics and Telecommunication Engineers (New Delhi) elaborating Use Cases of 5G IoT during the seminar

Active Participation of Students during the Seminar
